# NEW STREET TRAFFIC

Council Amends Solicitor's Draft in summer. Regard to Parking on Narrower Streets

The amended Street Traffic Bylaw was nally reconsidered and adopted by the city council last night and is now in

The only clause upon which there was any discussion was that in regard to the service of the Canadian National conths in the south. the parking of cars on narrow streets. The city solicitor had made this clause to read that parking would not be allowed on both sides of any streets except Second and Third Avenues. Ald. Rudderham maintained that the intenexcepted from general parking and then ness. parking would be allowed on these narrower streets as long as the cars were parked uniformly on one side of the Columbia Chamber of Mines in Smith- crests represented by Mr. Burden.

The mayor and Ald. Prudhomme stated that this was also their recollection been received from various parts of Cedar Creek placer gold district, died of the amendment in question which the country for mineral exhibits repre- here recently at the age of 63 years. was then changed accordingly. The sentative of the Skeena and Omineca ie was a life long prospector in the mayor did not think it was advisable mining districts. A map covering the Cariboo district. mining possibilities of the district is to impose any more restrictions than were necessary and he thought that such to be issued by the Chamber. streets as Sixth Street and McBride Street were wide enough to permit of arking on both sides under present traffic conditions in the city.

Eighteen residents of Ambrose Aven submitted a petition to the city counc last night asking for the grading this summer of that street, the plank roadway on which has been in a dilapidated condition and partially condemned for that he had not yet gone into the art after spending the winter in the there, petition to see whether or not it was south. in order. The matter was referred to the board of works for report.
