We are having the stones mounted up in white gold rings to sell at \$75.00, and you will say they are beau-

The stone has quite large appearance for the money and is of good color. This would make a nice UII moderaate priced engagement ring, but we have others with larger stones at higher prices and some as low as \$15.00.

We pass our coal over a screen four times larger than any other coal screen in town. We are therefore putting out the cleanest and best prepared coal. We make it a point to get coal for you that will give the most heat with the least waste. Let us have your order for delivery now.
