The man who cares two pins for the health of his family should immediately investigate the home heating question. He will find WARM AIR the HEALTHY WAY of heating the home, and he will be led to the McClary Sunshine Furnace as the most efficient system of sending the fresh, moist warm air circulating through the house.

It costs much less to install this guaranteed McClary Warm Air System than hot water or steam systems. And it saves a great deal of coal, as the "Ventiblast" Ring ensures that ALL the fuel is made to give ALL its heat. Burns any fuel, too! For health's sake see the famous
