### Stomach Troubles

Of what use is money or food if the stomach fails in its duty and causes you misery?

The healthy person does not, and should not, realize that he has a stomach. Digestion of wholesome and normal foods should be automatic. But this cannot be if the stomach is receiving less than its full supply of vital energy.

When the stomach fails in its functions, two courses of relief are available—you can reduce the quantity and variety of your food to fit its subnormal capacity-or you can have the cause removed by spinal adjustments which restore the flow of vital energy to its full capacity. Which is best. We believe in removing the cause. Phone Green 241

Some 250 Persons Present at Very Enjoyable Affair in Moose Hall Last Night

The annual dance last night in Moose Hall of the Prince Rupert Girls Drill Team was a most successful and enjoyable event. Some 250 persons were present and merriment reigned supreme from 9 p.m. until 2 a.m.

The music dispensed by an orchestra consisting of Kenny Rood, Miss Irene Morrison, Tony Rorie, Henry Prevost and Bob Greenfield was the subject of much favorable comment. Doug Frizzell, ceach of the drill team, made a popular master of ceremonies and Fred Smith presided at the door.

At midnight, delicious refreshments were served, the catering being in charge of the members of the Drill Team who are Misses Laura Frizzell. Cathle Irvine, Ada Menzgohr, Chrissie McLeod, Dot Edgar, Evelyn Dalby, Irene Morrison, Edna Unger, Julia Walters, May Thompson and Evelyn March.

The walls of the hall were adorned with framed pictures of the team and the diffusion of the lights with crepe paper in the blue and white colors of the organization made an attractive effect. After supper, the distribution of serpentine and confetti in abundant quantities lent much to the enthusiasm and general fun.

# RHYMESTER AT DANCE

An interesting feature of the Girls' Drill Team dance last night was a song Why gentlemen prefer blonds, to me is members of the team were extolled Executive committee-H. B. Roches- personally. They were lined up in the ter (chairman), Ald. G. P. Tinker, M. hall and the song was sung by Professor She says "No thanks, I'll pass." McPherson, the words being:

> of bonny blue, I'd say she was one, wouldn't you? For Laura is a peach

> Yes, Laura is a bird, But the gal is quite beyond your reach: Get away, old man, you're absurd.

She has the skin you love to touch And uses cold cream made by Pond. For Evelyn she is nice,

For Evelyn she is sweet. Altho' her heart is not of ice Hold your base old man, keep your seat.

Oh! here's wee Maisie Thompson, now isn't she a pet, If there's a cuter gal in all this town I haven't seen her yet. For Maisie has no guile,

She's a lass with a ready smile; I would walk a mile to see the smile on her dial, Get away old man, you're out of style.

Oh! this is Edna Unger, she's pretty to say the least, And if your eyes should hunger

On her beauty they can feast. For Edna she is neat For Edna she's petite.

Don't crowd so hard your silly old man, You're standing on my feet.

Dot Edgar is a dark-eyed miss as you,

a mystery. For Dot the dark-eyed lass You'll agree has lots of class. And when the old boys come to woo,

Oh! this is Laura Frizzell with the eyes Oh! Evelyn March is a good name for a girl who drills with the team If I was a lad who believed in dreams She's much more fair than her namesake And is held in higher esteem.

For Evelyn's eyes are blue As you've probably noticed, too. Get away, old man, get away, get away, With the old men she is thro'.

This is Evelyn Dalby, a pretty blue-eyed Chris McLeod is a Scots lass, isn't she the bonny wee thing; With these few words we'll let her pass For the Scots must have their fling. For Chis is the lass for me

And I'd lay me doon and dee, But she says ga hame old men, ga hame, And have your hot beef tea.

Oh! here is Julia Walters, what a subject for a bard? If she doesn't take me to the altar, I'll die in her back yard. For Julia is a jewel

And I'd be her foot stool, But when I proposed to her today She said "Old man, get away."

Here's Ada Menzgohr, now a dandy as I live. And for Ada's favor- my life I'd gladly

For Ada is a beaut And I'll make my rivals scoot, When I tell her this, she'll flercely hiss: 'Get away, old man, or I'll shoot."

that suits her name. She treats me like an alley cat But I love her just the same. For Cathie she is fine And she surely is divine.

But she says "Get away, old man, get For your company I do not pine."

Oh! this is Irene Morrison, she's a pippin on my word. Dollar Sodas, new stock, box 68¢ I told her so the other night and this

is what I heard-Shoo fly don't bother me Shoo fly don't bother me Go and bounce a snowball.

he's looking well quality, assorted, per tin .. 116 He's the one best bet that the girls have He makes them drill like-well!

For an old man he is old 

> Then here's young Artie Thompson, he' a lucky little guy, If I could have his job for awhile

And I would rather have his job For Alex, and young Doug. Are a couple of lucky moles. And if had such good luck as theirs I wouldn't speak to the Prince of Wales.
