For as they grow bigger, their fla-In the evening the service was in ver gets better and who wants small Rev. A. Robinson and Rev. O. T. Hodg- potatoes apparently so unready for digson. There was special music by the ging. Or possibly the growers have dug variety ought to be much larger in size at this time of the year. Of course a dry spell might account for this, although a dry spell in May is hard for Prince Rupert people to imagine.

Flour has dropped slightly in keeping with the lower price prevailing for wheat. And there seems to be every indication of further drops in price which might have been expected before this. The stocks of wheat in storage i the country available for milling are plentiful. A drop in butter prices i also expected any day now, too. The In Prince Rupert Land Recording Dis- egg market, however, is very firm and advances may be looked for any time

Wherever

Mrs. H. K. Duckworth of South Vancouver in a letter to Paci-

fic Milk, writes: "I have much pleasure in stating that we have used Pacific Milk for twelve years in both cooking and baking. Undiluted it easily takes the place of fresh cream. For salads and for topping off jellies, stewed and fresh fruits, we find it has no equal,"

We are glad to receive this
