MEETING WITH LOCAL TALENT DE-

H.M.S. Durban, which is coming here next month, has on board Percy Lake, champion lightweight boxer of the China station, and quite a number of others who are keenly interested in boxing. They have been in communication with the local unit of the R.C.N.V.R. and intimate that they would like to stage a tournament while visiting this port. Arrangements are being made, and if suitable opponents can be obtained either in the city or elsewhere, a tournament will take place on Monday, July 16, at the Exhibition Hall.

Percy Lake has fought and defeated Jack Brown, one of the best in London, England; Andy Tullious, bantam weight champion of Italy; Kid Socks, who fought the champion of Europe and lost; Kid Kelly, west of England champion, and Bex Holmon, champion of English ports. This year he fought Nixon, champion of India, for the belt it has been decided to have on Doin Hong Kong, and won the champion- minion Day. ship of China from Young Ruddy Benton, U.S. Marine.
