HIGH SCHOOL WON FOOTBALL

Put Themselves Securely at Head of League by Beating Booth

High School put themselves more securely at the head of the Junior Football League when they won over Booth on Saturday by two goals to nil.

Booth played with the hill and Cross was early prominent. Smurthwaite was dangerous but McKay stopped him. Cameron and Walters combined nicely but Stiles cleared. McKay, Walters and Cross made headway but Cross missed badly. Smurthwaite opened out the game and High forced a corner from which they missed an open goal. Booth defence was shaky and Moxley did well to field a miskick of Nelson's. Pyle sent Booth forwards back and Moxley was lucky to clear. Scott gave Bacon a chance but Lawrence cleared. High forwards were fast and their greater weight was telling but McKay robbed Collison. Walters was nearly through and Collison was glad to give a corner to stop him. From the kick Cross missed an open goal. At the other end Moxley cleared from Smurthwaite. Stiles was always a tower of strength to the High defence and Booth were pressing strongly. Forbes cleared and Booth forwards showed pretty combination. High broke away but Bartlett cleared.

With teams level the second half promised even better football than in the first half. High attacked but Wingham got away and Stiles cleared. McKay cleared from a corner and then Smurthwaite went very close. Scott missed a good opening. High were the better team now and from a free kick Stiles scored with a shot that Moxley stopped but let slip through his fingers. Wicks centred but McKay cleared. Wicks crossed a centre that was converted but the ball had gone out of play and the goal was disallowed. Booth at last got away and High defence was well tried out. Stiles stopped Wingham but Booth forced a corner. Smith saved a terrific drive from Walters that was well worth a goal and a few minutes later picked up a hot shot off the goal line. In a break-away High scored again through Collison whose high shot was mishandled by Moxley. Walters got away again but Stiles and Pyle stopped him and Cameron. Moxley did well to stop Scott's high shot and then Bacon missed an open goal. Colussi made an opening but Smith saved Walter's shot. Booth were trying hard but could not score. Wicks hit the upright with a great drive —a lucky escape for Booth. Full time found High winners by two clear goals.

Teams:

High — Smith; Styles, Pyle; Morrison, Collison, Forbes; Wicks, Franks, Smurthwaite, Scott, Bacon.

Booth—Moxley; Lawrence, Nelson; Ivarson, McKay, Bartlett; Walters, Cameron, Colussi, Cross, Wingham.

TERRACE FAIR BASKET SOCIAL

Funds Will Help Materially Toward Wiping Out Deficit of Organization

TERRANCE, Oct. 15.—The whist drive basket social and dance sponsored on Friday evening by the Terrace Fall Fair Association was an undoubted success, and resultant funds will aid very materially in wiping off the deficit in this year's accounts. Fourteen tables of whist were engaged, the prizes for high scores being won by Mrs. E. M. Smith on a draw with Miss Esther Taft, and by R. W. Beecher, while Mrs. Downing and J. Lever received consolations. Following whist many daintly ornamented baskets were auctioned by J. C. Brady, M.P., who proved to be a very efficient wielder of the mammer. Mr. Brady also made a brief address suitable to the occasion.

Following the basket supper, dancing was indulged in, music being provided by J. McLaren's orchestra. A. Holmwood was master of ceremonies.

Arrangements were completed to hold the annual meeting of the Fall Fair Association on Wednesday evening, Oct. 17, at which meeting the prize money will be paid.

Around The World With Sport Fans

(By The Tramp)

A good many cities, some much smaller than Prince Rupert, have Badminton Club buildings of their own. One is now being built at Vancouver with six courts. Cumberland has one and from time to time we hear of other places where they have been been built. It is suggested that Prince Rupert should be in line with a club of its own devoted to the sport winter and summer. While it would be used regularly in winter, it could also be utilized on wet days in summer.

The Toronto Globe says: Marquette University, at Milwaukee, Wis., appreciate the presence as students of four members of the Canadian Olympic team, John Fitzpatrick and Ralph Adams of Hamilton and the Walker brothers, Peter and Jack of Listowel, all track men. The Canuck fliers have been granted the weiner-and-roll and cushion concessions at the home games of the Marquette football team this season. The "dawg" business is a live one at the college games across the border, and a cushion is not to be objected to. They do say that concrete gets harder as it ages. Seemingly the boys who were "invited" to Marquette are not being ignored, but presumably the filling station, snack room, clothes pressing and other concessions are in the hands of football warriors. What are we offered for Percy Williams?
