## Better Tariff Treatment Asked For Canadian Lumber In Market Of Australia By B.C. Mill Men

Hon. J. A. Robb Points out Difficulty When B.C. Votes Against Treaty With That Country in Parliament

OTTAWA, October 18.—Canada was asked yesterday to approach Australia with a view to obtaining better tariff agreement for Canadian lumber. The request came from a delegation representing the B.C. Lumber Manufacturers which waited upon Hon. J. A. Robb and Hon. James Malcolm.

"We would like," said A. Flavelle of Port Moody, B.C., who headed the aelegation, "an application made to Australia concerning the tariff on rough and dressed

lumber and lumber products that wherever there is a British preferential rate Canada should be accorded the same treatment. anada should get one shilling a hundred superficial feet prefer-

Reduction of the Australian tariff on B.C. red eedar was also suggested. California redwood was subjected to a tariff rate by Australia of five shillings a hundred superficial feet. Improved steamship service between the Pacific coast and Australia was also suggested.

"We are anxious to extend Canada's trade everywhere and particularly within the empire. That Legion at the general meeting of is the policy of the government, the organization last night in the tralia if Australia will do the same thing for us." It would not hurt

Mr. Robb took exception to any possible suggestion that the lumber industry had been neglected to holding it as usual. with trimmed moustache and under the treaty.
