The usual grant of \$50 to pay for Christmas comforts among the patients was made to Miss Jean Harrison, R; N., the lady superintendent by the hospital board last night.

The house committee was instructed at last night's meeting of the hospital board to see to the putting up of storm windows for will be secured to facilitate the

Miss Helen Randal, R. N., registrar of the Graduate Nurses' Association of British Columbia and inspector of training schools for the province, has left for Hazelton after a two day visit to the local institution.

Pursuant to an order of the board at its meeting a month ago, Ald. W. M. Brown, chairman of the house committee, reported to the hospital board last last night that arrangements had been made to instal an exit light in the Fifth Avenue entrance of he building.

The regular monthly meeting of the board of directors of the Prince Rupert General Hospital was held last night in the hospital. Those present were M. M. Stephens, who presided in the absence of the chairman, J. H. Thompson, who was indisposed; Ald. W. M. Brown. H. D. Rochester, L. W. Waugh and Ald. W. J. Greer, directors, Miss Jean Harrison, R.N., lady superintendent, and H. W. Birch, managing secretary.

After considerable discussion. the hospital board last night decided to order through the city at the wholesale price of \$67.50 an electric vacuum cleaner and floor polisher. L. W. Waugh voted against ordering in this manner, expressing the belief that for the difference involved the purchase should be made through local dealers. Ald. Brown also o-incided with this view while H. B. Rochester, M. M. Stephens nd Miss Jean Harrison, the lady superintendent, were strongly in favor of buying in the cheapest possible market.
