Victorious Canadian Athletes Return Home

THE first contingent of the Canadian Olympic Games party received a tremendous welcome when they returned to Canada on the White Star liner Laurentic. They were guests at civic receptions in Montreal and Toronto, while individual cities planned special celebrations in honor of their individual members of the team. The above photographs show, top, the group on board the Laurentic in which can be seen, fourth from the left, standing, Mrs. Joe Wright, and, extreme right, Joe Wright, Sr., parents of Joe Wright, Jr., who won the Diamond Sculls at Henley. Joe Wright is seen in the centre of the back row, eighth from the right. Fourth from the right standing is Lou Scholes, winner of the Diamond Scalls in 1904, who went to greet young Joe Wright. Underneath the group, on the left, is Joe Wright, Jr.; on the right is Ethel Catherwood, of Saskatoon and Toronto, winner of the high jump at Amsterdam, where she created a world's record. The four girls are members of the team which won the 400 metres relay event and created a new world record. From left to right they are Myrtle Cook, Jane Bell, Ethel Smith, and F. Rosenfeld. The bottom photograph shows young Joe Wright, displaying his trophies won at Henley to his mother. In his left hand he has the gold cup which is his permanent prize and in his right hand he has the miniature Sculls, which he holds for one year.
