been prepared by Morte H. Craig, local artist, and will be presented next week to Archbishop A. U. DePencier, Metropolitan of British Columbia, as a recognition from Caledonian diocese of his services as episcopal visitor during the past four years while the diocese has been without a bishop of its own. At the head of the scroll the crest of the syncd has been artistically traced and down the left hand side has been painted a portion of a church and steeple surmounted with a cross in purple. The scroll has other suitable decorations and is altogether a splendid work of art which will, no doubt, be cherished by the Archbishop.

SPECIAL PRIZES FOR FLOWERS ARE OFFERED

So true and lifelike is the music of the new Orthophonic Victrola, --- you almost see the famous conductor---the magnificent orchestra!

... The plaintive note of a trumpet ... swelling . . . receding Then the 'cellos You move towards the edge of your chair. Again that wistful trumpet and again the 'cellos, followed by the violins and the brasses, as the melody weaves its pattern of beauty. You relax and enjoy a world-loved overture. You are at the Symphony Concert, in your own home! And you arrange the program!

You almost see the sensitive hands of the great conductor—the rhythmic rise and fall of the violin bows, the tilt of gleaming trumpets and trombones! You may listen to several orchestras the same evening, with encores end on end. You may listen to anything in any kind of music.

The principle that applies "Smooth Flow of Sound" to the new Orthophonic Victrolaand brings it to your home, is "Matched Impedance",—Victor-controlled.

To do justice to this realistic music, you may have beautiful cabinets in artistic designs and fine woods. Electrically driven, if you wish, at slight additional cost. All instruments are self stopping. Prices from \$1400 down to as low as \$115-on convenient payments from all His Master's Voice dealers. Act now and begin to enjoy at once.
