> Went on Rampage; Flooded Country with Loss of Life and Property

Four lives lost and many bridges swept away, towns flooded and dam destroyed in spring breakup

MONTREAL, April 9 .- Two known deaths, two members of a Canadian National passenger train unaccounted for, and enormous property damage is the toll exacted in the province of Quebec over the week-end by floods. The actual extent of the damage is not ascertained owing to the fact that telephone and telegraphic wires outside of Montreal are badly disrupted.

J. Robbins, 43 years of age, a baggageman, and R. Thiverge, an express messenger, both of Montreal, are missing as a result of the Canadian National train crashing through the Drummondville bridge which has been weakened by the flood of waters yesterday afternoon. The train was bound from Montreal to Quebec. The passengers were not hurt.

T. R. Effelroy, 19 years of age, and ----William Morin, were drowned when a feet thick, was broken like cardboard by vehicle in which they were travelling the flood and ice.
