

Kill the FLIES ~ Make sure the things you eat are tresh, clean, pure

ND it is so easy. Just press the plunger in the A sprayer. Out comes a cloud of cleanly fragrant mist. Touch a fly or mosquito with the spray. It cannot breathe. And soon that peril is ended. Kill the flies. Use Fly-Tox. Then you are sure the food is clean. Health is certain. And you enjoy that wonderful summer comfort—a house without flies, mosquitoes.

Fly-Tox does not cost much—half-pints fifty cents. Nearly all grocery and drug stores sell it.

Kills FLIES, MOSQUITOES MOTHS, ROACHES, AN.S, FLEAS

FLY-TOX is a scientific insecticide It was developed at Mellon Institute of Industrial Research by Rex Fellowship
