

"You'd never believe it, but it hasn't been painted for five years."

"Now I know why John insisted on B-H 'English' Paint . . . there isn't a crack or chip anywhere. But I simply couldn't resist the lovely color schemes in the new B-H book, so we're going to have it done over this year and John won't have to fight for B-H 'English' this time—I'll order it myself."
