#### MINISTER OF MINES

The death of the minister of mines, Hon. William Sloan, leaves the Government Telegraphs and has the province the poorer to the extent that a man who knew his work left for there with his family to take | S. J. Mayer is on a business trip to and did it fearlessly and well has been removed.

Billy Sloan was a miner himself for a brief period. He went to the Klondike during the big gold rush and was fortunate to make a stake there and return. Instead of spending his money recklessly, for the Mohawk Mining Co. here and ably this week owing to the completion like many others of the miners who trekked north, Sloan invested will be put in operation on the pro- of the Tom Preece contract for 8,000 his carefully and then took up the profession of politics. He was perty as soon as it arrives. The com- ties which have now been delivered at always ready to spend a little money on elections in order that he pany expects to start the construction the siding. might be on an equal footing with his opponents and he usually won. of a mill within the next three months It was expected that he would have been given a senatorship when and also a short tramline from the Ernle Hann left at the end of last he resigned his seat in Comox-Atlin in favor of Hon. William Tem- tunnel mouth to Four Mile Creek. Jack week for Topley where he will superpleman, but the Liberal government at Ottawa was beaten and before another opportunity offered, Mr. Sloan was a member of the British Columbia government and too valuable there to be allowed to go to the Old Men's Home at Ottawa.

Mr. Sloan was always popular in his own constituency. He Turnbull entertained the Felix Bridge this week in town and district. knew every man there personally and treated him as an equal and Club at her home in honor of Mrs. was willing to take advice from any of his supporters. The result Peel, prize winners being Mrs. E. Hyde was that he rolled up solid majorities among the miners, who trusted and Mrs. Lanklands. Last week Mrs. him to give them a fair break.

Mr. Sloan had been ill for about a year and it was known that he could not live very long but the government was loath to part and Mrs. Winsby. This week the club having made an inspection of timber with a minister who had served the province so well. He was re- will meet at the home of Mrs. Chap- stands held by the syndicate in conlieved of part of his burden by Hon. T. D. Pattullo, member for this pell. district, who has for some little time past been provincial secretary.

Mr. Sloan chose newspapermen to undertake his secretarial T. J. Shenton, inspector of mines was found to be in good shape, rot work. Robert Dunn Junior, son of a former editor of the Victoria Times and now an editorial writer on the Victoria Colonist, held the position until promoted to the position of deputy minister of mines. Then his place was taken by Joe McDougall, a newspaperman of staff left this week for Kamloops for a to McBride, Mr. Burden states. long standing, who had been with the Victoria Colonist. Mr. Mc-chort heliday. Miss McDonald and Miss Dougall still holds the position, carrying on the routine work along Clare, New Westminster nurses, have Eric Hanson and Charles Johnson with the deputy minister.

The government of British Columbia will miss Hon. William the hospital. Sloan but happily the work of his department is in such good hands that it will be picked up easily and carried on by the new minister when he happens to be appointed.

#### ANOTHER REASON FOR ELECTION

The death of Hon. William Sloan is another reason why an James McRae paid a visit to Telkwa minimum temperature reading during being made to the building. election is probable within the year. It would seem as if one of this week to purchase horses. the other ministers might carry on the work until an appeal is made to the people and then a minister be appointed shortly before the election or soon after it. While the death of the minister of mines of a fall down a flight of stairs. weakens the government in the legislature, the probability is they will be able to carry on without difficulty until the appeal to the country is made. Then it is prophesied that they will increase their the first of this week for Prince Ru- the Mapes settlement near Vanderhoof. Rev. Father Cocola, principal of the strength considerably.

#### MIGRATION TO BE CHECKED?

A bill is before the Congress of the United States by which it is proposed to restrict the number of Canadians who may enter that country in a year to make their homes. It has the backing of the kin in Hazelton. They were old friends The Prince George Board of Trade is arrived here, his business being in consecretary of labor and there is said to be some prospect that it will in Scotland and this was the first urging the federal authorities to instal nection with the tie contracts of S. S. pass. If the Canadian minister at Washington can do so without time they had met in many years. In telephone line from Prince George Magoffin. violating any of the canons of diplomatic propriety it is to be hoped he will make clear to the government there that Canada would consider the enactment of such a measure in no sense offensive to either the interests or the dignity of the Dominion.

Exempting Canadians from the quota law was doubtless intended as a gesture of friendship toward a kindred and neighboring cently found canines eating a deer that \$3,775 over last year. Considerable part people. Canadians appreciated the sentiment behind the act, but was still in the last throes of life. of the increase is represented by procompliments come too high at the price. We could have got along Police authorities plan destroying of posed capital expenditures, increased without that particular mark of deference a good deal better than fending animals in the future. we can without the thousands of Canadian citizens who flocked across the border because there was no limit to the number who could go. If Congress is now minded to put up the bars against our misguided migrating countrymen, as it has done against people from Europe, that will be a measure of practical helpfulness toward the Duthie mine is also being bought up city from C. W. Perry and the erection development and prosperity of the Dominion.
