

Man in the Moon

There are electric cookers, electric sweepers and electric washers. The only thing now is to invent an electric machine to nurse the baby and the relief of the housekeeper will be complete.

The man who retires before his work is finished is only half a man.

When a man gets a lot of second class mail, ten to one he is on the sucker list.

Nature is grand but she failed to invent a proper control for the amount of food a person should consume.

Italy is shaped like a boot leg and U. S. functions that way.

THAT PROVES IT

An expert says that not one woman in ten can pass a beauty test. Or a beauty parlor, say we.—New York Evening Post.

FOR A BIRTHDAY SURPRISE

Jones rang the bell at the new doctor's house. The doctor's wife answered the ring.

"You wish to see the doctor?" she said. "Couldn't you come tomorrow morning?"

"Why," said Jones, "isn't the doctor in?"

"Oh, yes he's in," said the young wife wistfully, "but you're his first patient and I'd like you to come as a surprise for him tomorrow. You see it's his birthday."—Boston Transcript.

Zam-Buk ITS ROMANTIC STORY

A World Search for Rare Medicinal Herbs.

It is not commonly known that countries so far apart as China and Spain, Japan and England, and Tasmania and France have to be searched for the species of herbs used in the manufacture of that world-famed healing balm ZAM-BUK.

Zam-buk is the true successor of the herbal healing balms of Ancient Rome, with this important advantage: Zam-buk, in addition to its rare herbal composition, has twentieth century medical knowledge and manufacturing skill, to bring it to a pitch of perfection, probably never equalled in the annals of healing.

The different medicinal qualities in Zam-buk are beautifully balanced. The healing side with the antiseptic, the soothing with the germicidal, it is penetrative yet not too stimulating, and has just the right lubricity for removing superficial swellings, sprains and pains.

Thus Zam-buk is a useful, reliable, and highly-concentrated, medicinal dressing always ready to instantly soothe pain, swiftly allay swelling and inflammation, expel deep-seated disease, and grow new healthy skin. Moreover, users of Zam-buk have perfect confidence which alone comes from the knowledge that it is a refined herbal preparation and not an artificial ointment composed of pore-clogging fats and crude drugs.

Zam-buk is invaluable in all itching, inflamed, and diseased conditions of the skin, whilst its swift antiseptic healing makes it the ideal first-aid dressing for burns, scalds, cuts, etc. It is also the soothing remedy for piles. Of dealers everywhere 50c the box: \$ for \$1.25, or Zam-buk Co., Dupont St., Toronto.
