

GIANTS RETAIN THEIR POSITION

TURNED BACK CINCINNATI REDS YESTERDAY—ALL FIRST DIVISION AMERICAN LEAGUERS WIN

(Special to Daily News)
NEW YORK, May 8.—The New York Giants retained the leadership of the National League yesterday by turning back the Cincinnati Reds 5 to 1. St. Louis Cardinals and Pittsburgh Pirates, who both won their day's games, thus slipped even into second place ahead of the Reds.

The Yankees are still in first place in the American League with the Philadelphia Athletics, Cleveland Indians and St. Louis Browns giving them a merry chase. All first division teams in the American League won their games yesterday and all the second division aggregations lost.

The day's scores were as follows:

NATIONAL LEAGUE

Brooklyn 5, St. Louis 6
New York 5, Cincinnati 1
Philadelphia 4, Chicago 7
Boston 4, Pittsburgh 9

AMERICAN LEAGUE

Chicago 5, New York 8
Cleveland 4, Boston 2
Detroit 0, Philadelphia 10
St. Louis 15, Washington 2

Around the World With Sport Fans (By The Tramp)

Football players have been suffering recently in England from the boiling heat. Soccer enthusiasts there do not like to play football in cricket heat.

Tottenham Hotspur's escaped the humiliation of being relegated to the second division but the margin of escape was not very large. For a millionaire club this was bad enough.

What will football enthusiasts have to talk about now that the season is over in the old country? They may possibly transfer their affections to tennis or cricket, or lacrosse or possibly take up lawn bowling talk for recreation. Then there will be soccer in Prince Rupert.

The University of B.C. girls are all right but they are not quite up to the grade of the Commercial Grads in Edmonton.

July 6 and 7 are the dates set for the Olympic swimming tests at Toronto. The team will sail on the Albatross, July 11. Assistance will be given entrants from distant provinces who wish to enter for the honor.

The signing of a ten year lease for the new Seattle Service auditorium in the Puget Sound centre is the completion of the missing link preceding the forming of a Northwest International Hockey League. Ice hockey is a sure thing on this coast, for the coming winter.

Bobby Robinson is likely to take a splendid 1000 metre relay team to the Olympic this year, it is said. A number of good men are in training for the event and this country should be well represented at Amsterdam.

SPORT CHAT

Any day now, perhaps today, the New Baseball Giants may be displaced from the leadership of the National baseball league. The Cincinnati Reds were going strong at the week-end by defeating the Giants two straight and were beginning to look like real pennant material. In any case, they have won more games than any time so far this season in the senior league. St. Louis Cardinals and Pittsburgh Pirates, who staged such a hectic struggle last season for the flag, seem to have hit their stride again. It is beginning to look as if the Philadelphia Athletics will have as good a chance as any to wrest the pennant from the Yankees in the American League and many fans are pulling hard for the Mack Men who have so long dwelled in the second division. But it may be a long-time and a hard battle before the Yankees are displaced.

POPE CONDEMNS GIRL ATHLETIC MEET IN ROME

ROME, May 8.—In a letter condemning the girls' athletic meet to be held in Rome next month, Pope Pius today declared that admission of young women to competition in such sports

BRINGING UP FATHER

showed "less respect for girls than pagan Rome, which excluded them from athletic competition."
The letter was addressed to Cardinal Pamphili and deplored the plans for holding a girls' athletic meet in Rome, May 4. "The Roman bishops must deplore that after twenty centuries of Christianity Rome is showing less respect for girls than pagan Rome, which excluded girls from athletic competitions," the letter declared.

BILLIARD TOURNAMENT

In the second round of the city handicap billiard tournament under the auspices of the Grand Terminal Club, R. Hemming (plus 55) last night eliminated Joe Brown (-10) by a score of 200 to 151.

TRYING TO MUSTER INTERMEDIATE TEAM

Football Association Anxious to Give Competition to Naval Reserve Team Already Entered

One of the principal objects the Prince Rupert Football Association is now striving to attain is to obtain at least one more team to give competition to the Royal Naval Volunteer Reserve which is, so far, the only entrant this season for the proposed Intermediate Football League. While two more teams is desirable, it is the hope to obtain at least one. Efforts to this end have, so far, been unavailing. The Intermediate League situation will be one of the matters discussed at a meeting of the Association tonight when the schedule for the Stuart Bennett Shield series in the Senior League will be arranged.

NORCO WON RACE FROM SEATTLE TO KETCHIKAN, ALASKA

Former Tillamook Made Good Time and Members of Crew Feel Chesty as Result

The "fellows" on the motorship Norco, operated by the Northland Transportation Company, are feeling quite "chesty" after

and Captain Williams has had a satisfied smile ever since the Norco docked here from Seattle, says the Ketchikan Chronicle.
Inquiry developed the fact that the motorship arrived with the "broom" matted to her masthead after a 30-mile race with the freighter Lakina of the Alaska Line.
The Norco made the running time from Seattle to Ketchikan in 66 hours and this is considered good speed for a ship of her class. As one of the crew remarked: "Like good whiskey, she improved with age."
On the northward trip the Norco and Lakina were neck-and-neck for a distance of about 30 miles, then the Norco pulled ahead, and the crew and every one on board gave the rival boat the "merry ha ha!"
"Eure," alighted Gerry Bach, agent for the Alaska Line, "The Lakina was loaded with freight. Why the Lakina can run circles around the Norco if she lets herself out."
Nevertheless the Norco passed the lighter, and her crew is making the most of the occasion.

CONSERVATIVES NOT VERY UNANIMOUS AT VICTORIA JUST NOW

Nominating Convention Delayed Until After the Legislature is Dissolved

VICTORIA, May 8.—Victoria Conservatives are holding back their nominating convention in the hope of being able to persuade Hon. W. J. Bowser, former premier and later leader of the Conservative opposition, to accept a position on the ticket.
Last week there was a meeting of the local executive and the local members urged that a convention be called at once. To this there was strong objection and it was practically decided not to call the convention until such time as the House was dissolved. By that time it is thought the present differences of opinion may be smoothed out and the party be able to present a more united front.
At last week's gathering two members, Joshua Hinchcliff and H. D. Twigg walked out of the meeting in protest against its method of doing business.
There seems to be a great deal of doubt whether all the present members will secure representation from the party. Hayward is the only one that seems to be au fait with the party managers.

a large number of points reporting wheat seeding from 60 to 90 per cent finished and the seeding of coarse grains begun. Manitoba, however, has been experiencing better weather conditions than Saskatchewan and Alberta.
In Saskatchewan high winds have hampered seeding but it is not thought they have blown out much of the seed already sown. Drifting is reported in light ground areas, however, and the province generally could benefit from heavy warm rain. In Alberta unfavorable weather conditions in the north, particularly, gave the farmers a setback in spring operations but seeding will be general this week. All parts of Alberta report plenty of moisture in the ground and an increase in acreage sown to wheat is looked for.
Plowing and discing are being carried on vigorously all over the prairie and the thrashing of crops that remained in the fields during the winter is being proceeded with rapidly. Fall rye is showing up nicely in Manitoba and Saskatchewan. Only a few points report wet conditions on low ground but in both Saskatchewan and Alberta much plowing remains to be done.
Manitoba reports general conditions the most favorable for some years.

SEEDING ON PRAIRIES NOW

WILL BE GENERAL THIS WEEK IF WEATHER CONTINUES FAVORABLE

WINNIPEG, May 8.—Given a continuance of favorable weather conditions seeding will be general in western Canada this week, according to the first weekly crop report of the Canadian National railways.
Already Manitoba is well advanced.

CHARGED PASSING WORTHLESS CHECKS IN ALASKAN CITIES
KETCHIKAN, May 8.—Officers have received word in Ketchikan of a man's having passed at least three worthless checks in Juneau. It is said, Bill Casey, alias Bill Steel, whose real name, as he says, is Harry Joyce, was arrested in the steerage of the Cordova as he was attempting to leave town by Deputy U. S. Marshal William Gatzert and is being held in the Federal jail on a charge of obtaining money under false pretenses.
Casey, or Joyce, passed a check for \$25 to Mrs. A. Haglund of the Welcome Cafe in payment of board, a check for \$20 at Burford's Corner and for \$75 at the Nugget Shop. It was in response to a call from Mrs. Robert Simpson of the Nugget Shop to the U. S. marshal's office that the man was apprehended. All checks were drawn on the First National Bank of Seattle, where it was determined by wire that there was no account for anyone named "Bill Casey," the name he signed them with.
When arrested Joyce had a customers' draft on the First National Bank for \$1200 made out to Bill Steel, on his person.
Joyce came to Juneau on the Aleutian on April 7 from Seattle and has been working here at the Alaska Juneau mine part of the time.
The opinion was expressed at the U.S. attorney's office that Joyce may have passed other checks which have not yet come in, while in Juneau.

BURNS WELL KNOWN AS EDUCATIONALIST
VANCOUVER, May 8.—William Burns, whose death was recorded yesterday, was well known as principal of the Normal School here and prior to that as an inspector of schools. He came to British Columbia in 1892 at the request of Premier John Robson to organize the school system. Previous to that he lived in Ontario.
