# EVER HEAR THE STORY OF CAMPHORATED OIL

Camphor-from which Camphorated Oil is made, comes from the Camphor Tree-a native of far-off Formosa. Scarcity and distance makes REAL Camphor expensive. Now doctors frequently prescribe Camphorated Oil to be injected into the blood stream. Used in this way PURE Camphor acts as a stimulant-helps failing hearts to keep beating but synthetic or imitation Camphor (which is much cheaper) would have a deadening effect. Rexall Puretest Camphorated Oil is made from Pure Camphor. To make sure of this, there is at the Rexall Plant in Toronto a most delicate machine that shows the slightest impurity. This machine costs thousands of dollars-is the only one of its kind in Canada-but if it helps save a human life sometime, it's worth it many times over. Is it any wonder that Ormes are proud of their alliance with a drug manufacturer who takes such precautions?

For Six Years PIMPLES Covered Her Face

Mrs. Albert Stubbs, Newbury, Ont., ect on Sunday "Love." Testimony meetwrites: -- "My face was covered with ing on Wednesday evening at 8 o'clock. pimples and was so bad I was ashamed to be seen. I suffered in this way for six years, until one day a friend told

and after I had used two bottles the pimples were all gone and my skin was as clean and smooth as ever." Limited, Toronto, Ont.

"I talked him

out of it 22 ?

"IF I had only known this would happen! So suddenly! So unexpectedly! And when everything looked so promising!

"And to think that time after time he wanted to increase his life insurance and I talked him out of it. How hard I worked against myself and against my own interests. I wanted a bigger house. I wanted luxuries! I wanted everything except the protection he was urging me to accept.

"I got my own way, of course. The Life Insurance was not taken. robbed the children of their

education, of my care, perhaps of their future success in life. I robbed myself of the children's companionship. For now I must leave them to earn the money needed to keep our little family together - - the money that Life Insurance would have given me if he had had his way --

"-- and I talked him out of it."

It has been truly said that, "If every wife knew what every widow knows, every man would carry adequate Life Insurance".

And too often it is the children who must pay the penalty of the wife's prejudice.
