Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles. Peps contain certain medicinal ingredients, which, when placed the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes. the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs. While no liquid or solld can get to the lungs and air passages, these Pens fumes get there direct,

Annual Affair Opened Yesterday afternoon and is being continued today

The annual bazaar of the Women of the Mooseheart Legion commenced yesterday afternoon and is being continued today with many ladies lending their patronage to the affair. Though the function was in progress during yesterday afternoon, the official opening did not take place until, last evening when Mayor S. P. McMordie officiated. The bazaar will be brought to a conclusion this evening with a dance at which drawings for the various raffle will take place.

Mrs. H. Skattebol is general convener for the bazaar, other ladies in charge being as follows: Fancy Work-Mrs. A. Wick assisted by Mrs. F. M. Crosby.
