OPEN-AIR PUGILISTIC ENTERTAINMENT TO BE HELD DURING FAIR WEEK

As an added attraction at the Prince Rupert Exhibition this year, the Fair Board decided, at its regular weekly meeting last night, to stage an open-air boxing tournament on Acropolis Hill grounds one evening during Fair Week. Charlie Brown conferred with the Board on this matter and arrangements for the event were turned over to him. It is promised that an interesting card of events will be put on.

The board further discussed plans for the stampede which it had been previously decided to hold.

Business of the meeting was otherwise of a routine nature. President M. P. McCaffery occupied the chair.

SPORT CHAT

Following the interruption on account of the recent visit of H.M.S. Durban, the team from which tested out the locals in two interesting matches, league football will be resumed at Acropolis Hill grounds tonight. The Thistles and Grand Terminals, both of whom won at the expense of the Regiment in the two league games so far played, will contend for the leadership of the league which is thus split between them. To get the first advantage of the schedule, both aggregations may be expected to be on their toes and an interesting game for the fans should be assured.

Line-ups for tonight's Senior football game:

Thistles—Jack Campbell, Erskine, Haig, G. Mitchell, HMadden, Woods, J. Currie, Murray, A. Mitchell, W. Mitchell, Williscroft.

Reserve—J. Campbell.

Terminals—Gurvich, Skinner, Howe, Hill, Strachan, Currie, Dickens, Chinski, Harrison, Bardett, Angus McDonald.

The final matches of the Dominion of Canada soccer championship, between Eastern and Western title-holders, will be held in Winnipeg on July 28 and 30.

Around The World With Sport Fans

(By The Tramp)

Preparations are going forward rapidly for the big fight Thursday at the Yankee Stadium in New York between Gene Tunney, world champion and Tom Heeney the Australian challenger. Tunney is down to weight and Heeney is quietly preparing for what will be the big battle of his life. While the betting is very strong on the champion, there are people who think the other man has a fair chance.

They seem to be having trouble with George Young, the Catalina swimmer, over his training. He will not follow instructions. After his trainer had quit him he came to time, apologized, promised to obey rules and now is training again and is looked upon as a possible winner of the big Toronto race.

The visit of the Edmonton Grads to Europe is proving an object lesson to the girls they meet. When they made a previous trip they found little was known about the game in the old country but today they are much improved and give the visiting Canadians a much better game. The French girls are learning to play well.

SAYS LAKELSE FINE FISHING

"One of the finest holiday resorts on the continent" is the way Lyman Hinton characterizes the Lakelse Hot Springs which is situated on Lakelse Lake near Terrace, the place where Mr. and Mrs. W. O. Fulton and family and other Prince Rupert people spend their holidays.

Mr. Hinton has been surveying a road from the head of the lake to the hotel and he is most enthusiastic about the place. He says the fishing is excellent. In the lake big trout five and six pounds each may be taken and fine smaller fish in the stream. He thinks there is no finer place to spend a holiday than this.

Of course the feature of the lake is the hot mineral spring which is close to the hotel. This is used by the guests and is a splendid attraction.

OPPORTUNITY TO CASH IN ON SPARE TIME OPEN TO EVERYBODY

Public Interest Increasing as Plan of Campaign Becomes Better Known. Drive Just Starting

With more than $4,000 in cash and motor cars included in The Daily News prize distribution, with two districts and two complete sets of prizes headed by big luxurious closed cars. With every active candidate guaranteed at least 10 per cent cash commission, candidates are offered a most unusual opportunity to turn spare time into money.

It is probable that many who read this have been considering entering and participating in the most liberal distribution of the kind ever inaugurated in this section. They have been "thinking" about it. Some have about decided to enter but just haven't yet gotten around to it. To those it can be said that "Time is Money." Some are wasting time and consequently money. The time is here now when entries should be in. The time is here to cash in on the easy subscriptions which are available

Interest Increasing

During the short time the campaign has been inaugurated public interest has been slowly increasing. Seemingly Prince Rupert and vicinity has just begun to realize the magnitude of what The Daily News is offering home people. Then, too, there are many who have been busy in the political campaigns who should now see the advisability of turning their time, attention and talent to making $1,200 for themselves in the next few weeks. Here is a real spare time opportunity—if one out avails themselves of its possibilities. Public support is assured to those who have the initiative and stamina to go after the big prizes in earnest. Surely such prizes are worth your greatest effort. If others can profit so can YOU.

The campaign is just starting. It is not yet under way. Consider the opportunity presented to you today. Come down to The Campaign Headquarters this evening or tomorrow morning and learn the details of the plan, learn how easy it is to secure subscriptions and votes right now at the start. Study the vote schedule; see how it decreases as the campaign progresses. Note the tremendous advantage you have if you get active now.

Office Open Evenings

Campaign headquaters located on the second floor of The News building are open daily and until 8 p.m. for your convenience. Call without obligation to you. The telephone number at campaign headquarters is 534. The Daily News will be pleased to send a representative to your home if that is more satisfactory to you. But above all things make your positive decision to enter right now and then do not delay in making your start.
