WOMEN TO CO-OPERATE

NUMBER OF COMMITTEES APPOINT-ED AT MEETING WHICH WAS VERY WELL ATTENDED

TERRACE, March 5. - Terrace Fall Fair Association is a very live institution again following the public meeting called for Friday evening in the hope of reviving interest in the fair.

J. K. Gordon was appointed chairman of the meeting with H. Halliwell as secretary. There were about fifty people present and it was the unanimous vote of the meeting that the fair should be carried on, a number of good reasons being voiced as to why it should not be allowed to drop.

A board of directors was appointed as follows:

G. Hamlin, R. Corlett, Ed. Michaud G Scamen, H. A. Swain, J. McConnell R. W. Riley, E. T. Kenney, W. A. King, J. Lever and J. K Gordon 'The Women's Institute was asked to appoint five associate members and to take charge of the preliminary revision of the prizelists in the fancy work, home cooking and school work sections, these to be got out as quickly as possible.

A motion was passed that the meeting go on record as expressing appreciation of the work of last year's directors in bringing the fair to the high standard shown in the provincial reports and at the directors' mosting held later special reference was made to the very efficient and effectual work of Mrs. Sundal as secretary.

Many helpful suggestions were made

Finds Road to Health at Sixty "Fruit-a-tives" corrects

MR. THOMAS GRAHAM. "I am sixty years old and tried all kinds

of medicines for bladder and kidney trouble, which used to keep me from work a month at a time, until I started taking 'Fruit-a-tives'. Thanks to 'Fruita-tives' I have worked steadily for four years without a sick day. I have never felt better than I do now," writes Mr. Thomas Graham of Oshawa, Ont.

Because it is made from the juices of fresh, ripe fruits, intensified and combined with strengthening tonics, "Fruita-tives" soon brings radiant health to those who suffer from constipation, bladder and kidney troubles. It works in nature's own way. You will find "Fruit-a-tives" the very thing your sysdruggists. Start right away-to-day

Half the Cost-Already on Hand and Canvass to be Made for Remainder

TERRACE, March 5.-At a meeting of the board of directors of the Terrace Hospital Association held on Thursday evening, the following resolution was

unanimously passed: "Resolved: That it is the sense of this meeting that the available funds of the board, amounting to \$550.00, could not be better expended, for the good of the district at large, than in the purchase of an X-ray machine, and that, after careful investigation, the Keleket X-Ray unit, at a cost of \$1100.00, f.o.b. Terrace, should be purchased at the earliest! possible date; and that the district be personally canvassed for subscriptions to meet the deficit between the cost of the machine and the amount of funds on hand."
