BADMINTON TO OPEN TONIGHT

Prince Rupert Club to Use Same Hall as Last Season for Play

The executive of the Prince Rupert Badminton Club last evening decided to again take the De Luxe Hall after investigating every other possible place to play. Some were too costly and others not suitable in other respects.

The courts will be open this evening and a number of players have signified their intention to be present. A formal opening will probably be arranged for a later date.

It is advertised that fees must be paid strictly in advance, the same rate obtaining as last year, namely \$8 for the season or \$12 for a man and wife. Non-members residing in the city will not be allowed to play but non-residents visiting with members may be admitted.

The courts will be available to members any day, morning, afternoon or evening.

The directors made an effort to secure a hall with a higher ceiling. The cost of the auditorium, even for part time, was higher than the club could afford to pay. Negotiations were carried on with the lessee of another hall but nothing definite could be assured so it was decided to carry on at the same hall as last season.

CAPTAIN WEBB NEVER BEATEN

Record of 21 Hours 45 Minutes Dover to Calais Yet to be Broken

LONDON, Oct. 2.—There is considerable mystery attached to the English Channel swimming course from England to France being plotted by T. W. Burgess, one of the three men who have swum the channel from the English side.

It has been proved beyond doubt that the English Channel can be swum within fifteen hours, but only from France to England. During the past three years very fast swims have been put up in that direction. Michel of France, claims to have accomplished the performance in 11 hours, 6 minutes—although that record has not been, as yet, accepted by the Channel Swimming Association—while Miss Gertrude Ederle of New York, the first woman to cross, took 14 hours, 30 minutes, her feat being authenticated by the association.

But there is still a very fine record awaiting to be broken, and that is the one of 21 hours, 45 minutes, put up by the late Captain Webb, who crossed from Dover to Calais in August, 1875. Although over half a century has elapsed, that record remains unchallenged.

In fact, the swim from England to France has only been accomplished by two other swimmers: Burgess, an Englishman, in 1911, who took 22 hours, 35 minutes, and H. Sullivan, an American, 12 years later, in 26 hours, 50 minutes.

SPORT CHAT

Fine weather recently at Anyox permitted the resumption of tennis after a fortnight's lay-off. The finalists in the ladies' singles Mrs. Cutler and Miss Leighton, resumed play at 6-3, three-all, Miss Leighton finally drawing even by taking the set at 8-6. In the third set, Mrs. Cutler began playing for the base-line and seemed to be losing out but she came out from behind to win the deciding set at 7-5, the last game going to deuce several times.

The Elks Lodge at Anyox recently was host at a banquet and smoker in honor of the Elks' baseball team, champions at the smelter town, and members of the store and office team. Contributing to the vocal and musical program were Bros. Dresser, Owen Kirkwood, Roberts, and Bennett. Messrs. Ritchie and Roberts played a banjo-mandolin duet. Mr. Heywood was heard in a couple of comic selections, and C. P. Ashmore and Mr. Hagerty also sang. B. M. Buck, as toastmaster proposed "The King." Bro. Ashton and Mr. Ashmore spoke to the toast to the Store team. Mr. Smith and Mr. Healy to the Office team and Bro. Harmon and D. Wilson to the Elks' team. Mr. Macintyre addressed the gathering on behalf of the Community League, and Bud Sheen gave an outline of work done.

Yankee Players Are Almost All In Hospital And Team Will Be Weakened Greatly At Opening

St. Louis Gets the Best of the Betting so far, Ten to Seven Being the New York Figures Just Now

NEW YORK, October 2.—If they would play this world series in a hospital ward the Yankees could win without a struggle. As it is the betters favor St. Louis at odds of ten to seven. However, Huggins has a lot of confidence in his team and some of his cripples are day by day getting better, still the Yankees will enter the series badly handicapped.

Herb Pennock will not be present mystifying the Cardinals with left handed slants. Neither will Wiley Moore.

Waite Hoyt, George Pipgras and Tom Zachary will have to bear the burden. Most of the infield would appear better in hospital.

Tony Lazzeri who can throw overhand only at the price of excruciating pain in his shoulder will be at second base.

Mark Koenig, suffering from a sore foot will limp about short stop.

Lou Gehrig struck in the face by a batted ball will do his first base work with swollen lips but otherwise in sound health.

Joe Dugan's accustomed place at third will probably be taken care of by Gene Robertson who is untried in world series fire.

Bob Mensel and Babe Ruth will be in outfield, although the latter is troubled by a trick knee.

Centrefield duty probably will be divided between Cedric Durst and Ben Paschal, although there is a possibility that Earl Combs injured wrist may mend fast

CITY TO PURCHASE BONDS SOON MATURE

On recommendation of the finance committee, the city council last night decided to purchase at 99.75 from Chaffey-Fraser Ltd. \$7,250 worth of Prince Rupert bonds coming due next year.

Ald. Collart pointed out that the city had the money on hand and, as the bonds would have to be redeemed anyway in a short time, the committee deemed it advisable to take them now and save the intervening interest.

WINNER OF FISHING TROPHY SECURED FINE LARGE TROUT

Nipigon Shield Went to Corby Wilson Who Caught 7 1/4 Pounder

WINNIPEG, Oct. 2.—Competition between anglers who cast their lines over the waters of the famous Nipigon trout stream in Ontario for the honor of landing the largest square tail trout during each season is by no means diminishing, according to C. K. Howard, manager of the Tourist and Convention Bureau, Canadian National Railways, and the much-sought Nipigon Shield this year was won with a 7 1/4 pound beauty. The winner of the trophy was Corby Wilson of Cameron Falls, Ontario, and the dimensions of his prize winning catch were, weight 7 1/4 pounds, length 26 inches, girth 15 1/4 inches.

The runner up in the competition for the shield was Calvin H. Pease, Cincinnati, Ohio, who landed a 6 1/2 pound trout.

Man in the Moon

Neighbors are like stomachs. The better they are the less you are aware that they exist.

There would be little fun in making money if there were no women in the world on whom to spend it.

There is a difference of opinion as to whether it is better to buy labor saving devices for the kitchen or hire a girl.

It's a good thing the liquor is so bad else we might get to like it too well.

Eve says that self made men admire their maker.

If the peas roll into your lap, put some honey on the knife blade.

Never keep a cashier who has sticky hands. There's a reason.

Autos coming north from the states fill the tank with gas and going south they fill their tanks with liquor. In other words they tank up going both ways.

Noses are high, rents are high, that is the record of a "good neighborhood."

Can openers and bridge seem to be very closely associated. I am beginning to think cards were invented by the packers to encourage last minute dinners.

St. Louis Players

In sharp contrast to their opponents the Cardinals are ready for the series. Bill Sherdel, Jess Haines, Grover Alexander, Clarence Mitchell and Flint Rhem are ready to do the pitching. Indications are that Sherdel and Haines will pitch the first two games, and that Alexander will go to the mound in the third game at St. Louis Sunday.

Huggins is extremely uncertain as to how he will work his pitchers but it is generally agreed he can start with no one but Hoyt.
