MEETINGS DEALS WITH MUMBER OF MATTERS PERTAINING TO THE ORGANIZATION

TERRACE, July 18 .- The directors of the Terrace Fall Fair Association held their monthly meeting on Friday evening in the municipal hall. In the absence of both president and vice-president J. K. Gordon presided.

The matter of sending district exhibits to both the provincial fair at New Westminster and to the Prince Rupert fair were again brought up and again tabled until a future meeting when it was hoped there would be a more representative meeting.

The secretary reported that the proceeds of the recent fall fair dance were sufficient to cover the expense of the printing of the prize lists.

It was decided to furnish accommodation for a display of chinook rugs which are being sent by the government in connection with Women's Institute work. These rugs are being sent out in the hope of reviving interest in rug making and other handicrafts and should prove an interesting feature in the local fair. The display will be in charge of the local branch of the Women's Institute.

The secretary reported that a number of special prizes had already been secured principally for the fruit sections. A special prize committee composed of Messrs, E. T. Kenney, R. W. Riley, W. F. Lindsay, W. C. Sparks, A. Attree, J B. Agar, J. K. Gordon, W H. Burnett and E. Haugland were appointed.

The president and secretary were appointed a committee to purchase necessary supplies for the fair.

The appointing of a finance commitin camp. tee was left over until next meeting .. It was decided to ask for the cooperation of mill owners and road forewho has been holidaying at the home men in arranging a half holiday for

fair day. The directors were asked to make membership canvas before the next meeting.

Considerable discussion took place regarding the proposed banquet for fair day which it was suggested earlier in the year should be put on as a means of bringing together producers, wholesalers and consumers in order to talk over marketing problems. It was decided to ask the co-operation of the board of trade and leave the final decision of the matter till the August

CHURCH GUILD OF TERRACE AT PICNIC

sion of Her Leaving

TERRACE, July 18. - Twenty-five ladies, members and adherents of Knox United Church Guild left on Tuesday morning for their annual guild picnic to Lakelse Lake. Two motor trucks conveyed the party to the head of the lake and from thence they went by boat to the hot springs hotel for lunch. During the luncheon hour, President Mrs. Allan, on behalf of the guild, presented Mrs. Scamen, who is leaving this coming week, with a dozen teaspoons in a handsome presentation case. In an appropriately worded address Mrs. Scamen was thanked for her untiring efforts in the guild work for which she has been work convener for the past year. Sincere regret at her departure and good wishes for the future in her new home were expressed.

Mrs. Scamen replied in a fitting manner and the party all sang, "For She's

a Jolly Good Fellow." After a pleasant hour spent in exploring and taking in the many attractions around the picturesque hot springs the party returned to the lake head where bathing was enjoyed. Picnic supper was enjoyed and all returned home delighted with the day's outing.
