

Millions of American Women Kill Insects this clean sure way It means cleanliness, comfort, health

TLY-TOX is in daily use in millions of I American homes. Indeed it is considered an essential to good housekeeping. For it has brought a new sense of cleanliness to the home, liberated the housewife from the insect pest.

Though harmless to humans, contact with that cleanly, fragrant, spray of Fly-Tox is sure death to flies, mosquitoes and similar insects.

FLY-TOX s a scientific insecticide It was developed at Mellon Institute of Industrial Research by Rex Fellowship
