IS FIFTEENTH GRAIN VESSEL

British Steamer Mabriton Slipped Into Harbor This Morning and Will Start Loading Soon

The British steamer Mabriton, which slipped into the harbor at 8:30 this morning from the Old Country in ballast via the Panama Canal, is the fifteenth grain ship of the season at this port. The vessel is already lined and will go on berth immediately to load a full cargo for the nited Kingdom or Continent.

Capt. Boulton, master of the Mabriton, which is anchored in the stream today reports an uneventful voyage from Newcastle-on-Tyne which port he left on December 31. There was fine weather all the way, a little snow being encountered yesterday. The Mabriton picked up a pilot off Victoria and passed quarantine at William Head.

An ordinary type of wheat vessel, the Mabriton belongs to the Chapman line of freighters.

The fourteenth vessel of the season, the Swedish steamer Sagoland, is now about completed loading and will sail for the nited Kingdom or Continent with a full cargo in a day or so.

Up to this morning, no further report had been received on the British steamer Ashby which will be the sixteenth ship of the season here.

STUMP SPEECHES AT CHURCH GATHERING

Young People's Society Had Impromptu Program Which Proved Most Interesting

Stump speeches were the order of the evening at the meeting of the Young People's Society of the United Church last evening. The scheduled speaker being unable to attend owing to sickness, subjects were chosen and written on slips of paper and each speaker drew his subject and spoke for two minutes. Some promising public speakers were discovered and interesting information gathered. One speaker who had drawn "In What Respect is the Weather of Prince Rupert Superior to Other Districts of B.C.?" brought out a number

GOV'T. READY TO TRANSFER LAND

Minister of Lands Writes to Council Enquiring if it is Ready to Receive McBride Street Waterfront

A letter from Hon. T. D. Pattullo, minister of lands and member of the legislature for Prince Rupert, enquiring if the city was ready to accept the conveyance of foreshore land at the foot of McBride Street in accordance with his offer during a recent visit here was read at last night's council meeting and referred to the finance committee. In his communication Mr. Pattullo stated that it was very unsatisfactory to have this foreshore occupied by the Prince Rupert Boat House had led to his suggestion that it be transferred to the city so that the public, as provided by statute, might have free access to the same. He asked that the city advise him if it was agreeable to accepting the transfer so that he might arrange for the necessary order-in-council being passed.

Local Conservative M.P. Will Request National Leader to Come This Way on Tour

Local Conservatives are hoping that Hon. R. B. Bennett, national leader of the party, may visit Prince Rupert during the coming year. As the present session at Ottawa concludes in the spring or early summer, Mr. Bennett's itinerary for the season will be arranged and it is understood that the local Conservative member, J. C. Brady, will request Mr. Bennett to visit his constituency in the course of any western tour he may make.

"The next great task of humanity is not jelliverance by the sword, but deliverance from the sword." - David Lloyd George.

The Fireside Club held their regular monthly devotional meeting at the Baptist Church last night. The speaker of the evening was Rev. W. F. Price. "What People Think of Us," was the subject of his address, stressing how public opinion may become an important factor in the lives of persons who value it more than self esteem. A solo by Mrs. Mastin brought this part of the program to a close. Refreshments were then served.

SPORT CHAT

Regular league basketball will be resumed tonight following a week's interruption in the Senior League through the series with Kinloch. In the Senior League, the Elks and Grand Terminal will renew their argument for second place honors behind the Native Sons of Canada. High School, which is being given a chase by Big Four or the leadership of the Intermediate League, will meet the Elevator while the third game of the evening will be a Junior League affair between the Tuxis boys and Stars.

Efforts are being made to meet the wishes of the Prince George hockey team to play a series of games in Smithers at an early date. Prince George has decided not to defend its intermediate championship won last year, but will enter a team in the B.C. youth eliminations, so wants games with Smithers to condition the players for the play-offs.

Smithers curlers are keeping the ice uly occupied as enthusiasm grows. The public is rapidly becoming curling conscious and its initiation has now reached the point where, having heard skipper Munro, it understands why curling is referred to as the "roarin' game." Play continues in the interlink competition, with a few challenge games being tucked in between.
