Taylor Starts Extensive Operations At Owen Lake-Rich Gold Ore Opened Up on Big Missouri-Change of Mohawk Management

Development operations have started by Frank H. Taylor on a large scale on the Wrinch and Cole properties at Owen Lake, the necessary financing having been secured by Mr. Taylor on a recent trip south. Mining machinery and camp equipment are being taken in mining property about twelve from Houston. It is possible that as many as forty men may be miles up Tagish Lake from Caremployed. Major Paton will be engineer in charge of operations, cross, Y. T. The sum of \$200,000 J. Thompson will be Major Paton's assistant and H. WITHAT OF TO-MORROW? To-day you are alive - - well - - happy.

But suppose a summons sounds in the darkness and to-morrow your chair stands vacant. What, then, of your wife? Your children - - what of them?

When your presence is no longer there to provide for them - - to help them over the rough places of life - - even then your care need not

cease. Even then your forethought may guard them against want and adversity.

Life Insurance truly stands as the Guardian Angel of stricken homes - - as a living testimony of man's faithfulness to his loved ones, even in death.

Think! Think of those dependent upon you. Think - - and act. Get in touch with a Life Insurance representative to-day. To-morrow may be too late.
