

Persmination Odone so umpardonahle so easy to banish

What quality is so attractive as personal charm . . . and what social fault so obnoxious as perspiration odour.

Every person perspires, of course. It's natural, it's healthful. Physicians say the perspiration of the average person measures between one and two pints daily. Nature takes this way of ridding the body of impurities through the millions of tiny pores of the skin.

But perspiration need not be objectionable. Lifebuoy Soap, used in the bath, banishes the odour. Lifebuoy's creamy, mild lather not only cleanses, but also purifies the pores - anti-

cents per hundred pounds. was favored with an niterview with Sir tor. Henry Thornton, who had informed

been found not suitable and could hardly be utilized. They had no defiparticipate in the special mission of nite information on the Pine Pass or the Monkman Pass. Regarding the latter Pass he was very enthusiastic as he had received reports that it was by in the City Hall on Thursday, March conducted by S. V. Ware of Vancouver far the best pass through the mounmins. The mayor told Sir Henry that ne intended asking the government to Jesus" proved both enlightening and send a survey party through the Pine Pass. Sir Henry advised him to also ask for a party to be sent through Monkman Pass. SURVEYS PROMISED On arriving at Ottawa, Mayor Mc-

finally be built. He said, however, that

the Peace Pass had been investigated

Mordie found it was a most difficult matter to get the undivided attention of the government, the House being in session and there being a great many delegations on missions similar to his own. However, he succeeded in seeing the Prime Minister, the Minister of Railways, Mr. Kennedy, member for Peace River district, and many others. The question of railways in the Peace River district was foremost in the minds of the government and members of Parliament as the necessity for some was recognized. The Prime Minister and the Minister of Railways gave the mayor an excellent interview and convinced him that they were well posted on the Peace River situation, also intimating that some action would be BEING HELD TODAY taken soon. On request for a survey party to be sent through both the Queen Mary Chapter, Imperial Order, Pine and Monkman Passes, they both was also given that with the further "I saw Mr. Brady many times" said

Speaking of the Obed route, regarding which there was apparently considerable misapprehension, the mayor stated that this route starting at Aggi miles. Of this about one hundred and Miss Jackson and piang selections miles of the northerly end ran through a good farming country and would open this district for settlement. It SUCCESS OF MISSION TO which the grain would be hauled to Prince Rupert or Vancouver by over two hundred miles. If the railmaking plans for putting in additional way system could be extended into the Royal Society of St. George Whist branch lines that a westerly outlet British Columbia portion of the valley, to the district was essential and would it would mean great development there.

BRITISH COLUMBIA

The Mineral Province of Western Canada

To the end of December, 1926.

Has produced Minerals as follows: Placer Gold, \$78,018,548; Lode Gold, \$125,972,318; Silver, \$80,787,003; Lead, \$106,976,442; Copper, \$209,967,068; Zinc, \$50,512,5577; Conland Coke, \$284,599,133; Structural Materials and Miscellaneous Minerals, \$50,175,407; making its mineral production to the end of 1926 show an

AGGREGATE VALUE OF \$988,108,470.

PRODUCTION FOR YEAR ENDING DECEMBER, 1926, \$67,188,842

The Mining Laws of this Province are more liberal and the fees lower than those of any other Province in the Dominion, or any colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute Titles are obtained by developing such properties, the security of which is guaranteed by Crown grants.

Full information, together with Mining Reports and Maps, may be obtained gratis by addressing-

THE HONORABLE THE MINISTER OF MINES.

VICTORIA, BRITISH COLUMBIA. N.B.-Practically all British Columbia Mineral Properties upon which development work has been done are described in some one of the Annual Reports of the Minister of Mines. Those considering mining investments should refer to such reports. They are available without charge on application to the Department of Mines, Victoria, B.C. Reports of the Geological Survey of Canada, Winch Building, Vancouver, are recommended as valuable sources of information.

Reports covering of the Six Mineral Survey Districts are published separately, and are available on application.
