# Meal time has now become Health time to thousands!

Too many of us wake up each morning tired in body and depressed in mind. We go through the day without even the energy to relish our meals. We eat just to keep alive-no more.

There is something wrong when food arouses no vitality, leaves us so languid . . so tired . . so "old." Soft, fiberless modern food—all the stimulating vigor refined out of it-produces constipation and its deadly consequence, - intestinal poisoning.

To relieve this condition you only have to add another food if you want to cat for healthful living. It is Yeast, a tiny fresh vegetable-the freshest kind imaginable, yet a concentrated health food. Three cakes of Fleischmann's
