GIANTS AGAIN LOSE TO CUBS

CHICAGO NOW ON EVEN FOOTING FOR NATIONAL LEAGUE SUPREMACY WITH CINCINNATI WHICH LOST TO PHILLIES

(Special to Daily News)

NEW YORK, May 16.—Winning their tenth straight game, the last four from the New York Giants, the Chicago Cubs yesterday climbed to a first place tie in the National League with the Cincinnati Reds who lost ground by dropping a game to the lowly Phillies. The Giants, who are now threatened for even fourth place by the Brooklyn Robins, lost a loose game to the Cubs by a score of 10 to 7. The Robins relegated to sixth place the Pittsburg Pirates whom they overwhelmed with a 10 to 3 score.

New York Yankees retained their long margin at the top of the American League by winning twelve to eight in a batting bee over the Detroit Tigers. The Philadelphia Athletics made good their claim to second place, four full games behind the Yankees, by blanking their rivals for that position, the Cleveland Indians. Boston rose to within striking distance of the top of the second division by again winning over the St. Louis Browns. The Chicago White Sox threatened to leave the cellar by winning over the fourth place Washington Senators.

Yesterday's scores were as follows:

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free or partly free permits are available for settlers, campers and travellers up to ten head.

MONEY GOING ON McLARNIN

Vancouver Lightweight not yet Quite Equal in Popular Favor

NEW YORK, May 16.—Additional financial backing for Jimmy McLarnin, the Vancouver lightweight, sent the odds down to six to five that Sammy Mandell will succeed in retaining the lightweight crown in his fifteen round battle with the British Columbia boy here tomorrow night.

Earlier in the week the odds favored the champion seven to five. One wager of $1,000 to $2,500 that McLarnin knocks out Mandell is reported.

Catcher Bob O'Farrell of the St. Louis Cardinals, has been traded to the New York Giants for George W. Harper, 36 year old outfielder. O'Farrell was manager of the Cardinals last year, succeeding Rogers Hornsby. There have been no indications that O'Farrell was on the market and the deal came at a time when he was the only experienced catcher on the Red Bird's staff.

Charlie Harvey, manager for Tom Heeney, made a trip to White Sulphur Springs, N.Y., last week to inspect Tom Luther's training camp. The New Zealander may get into shape there for his bout with Gene Tunney. Camps at Atlantic City and Fairhaven, N.J., also are being considered. Tunney left New York at the end of the week for his camp at Speculator, N.Y., where he will begin intensive training next month.

Joe Beesley (scratch) won in the final of the city handicap billiard tournament under the auspices of the Grand Terminal Club last night when he defeated Andy Donald (scratch) by a score of 200 to 191. It was a close and well-contested match with the outcome in doubt until the very end.

Earlier in the evening, Beesley had beaten S. D. Macdonald (plus 15) in the last semi-final by a score of 200 to 157.

OCCUPATIONS HOCKEY STARS

ONE MAN GOES TO FARM ANOTHER TO AIR AND A THIRD TO FLOWER SHOP

ONE PLAYS BASEBALL

ALL WILL ENGAGE IN SOME RECREATION AFTER THEIR HARD WINTER GRIND

NEW YORK, May 16.—There is the difference of day and night in the proposed occupations of the New York Rangers, who recently won the world's professional hockey title when they defeated the Montreal Maroons. The members of the squad have departed to various points to prepare for the summer.

Billy Boyd, substitute forward, plans to lead an airy life as an aviator for the next four months, while the Cook brothers, the wingmen, will operate their huge wheat farm. Frank Boucher, centre player who was one of the heroes of the Stanley Cup finals, will handle flowers instead of a hockey stick for a while, and Lorne Chabot, goalkeeper who was incapacitated in the second game of the final series, will act in the capacity of chief clerk at a Canadian summer resort.

Boyd's decision to fly is still uncertain. There may be some objections from Mrs. Boyd on that point. Air work will be nothing new for the player. He served his time with the Royal Air Force during the Great War.

The Cook brothers, Captain Bill and Bunny, were the first to leave New York after the local festivities were over. They sped away to their wheat farm of some hundreds of acres near Saskatoon, Sask. Bunny, whose real name is Fred, will marry Marie Rehume, a New York girl, some time in June.

DELICATE FLOWERS

The hand that wreaked havoc on opposing puck-carriers all season will pluck delicate flowers for a few months at least. Frank Boucher has returned to Ottawa, his home town, with Mrs. Boucher, to manage his florist shop. Boucher will straighten out his business in short order, and as soon as it is possible will retreat to a cottage in the Canadian woods with his wife and two-year-old-son. Boucher is looking forward to his extended vacation because he wants to regain his lost weight and then some more.

"Taffy" Abel, defense player, the only American-born player on the team that won the Stanley Cup, is now back at his home at Sault Ste. Marie, on the border line in Michigan. Abel intends to work for the Forestry department near his home.

Ching Johnson, Abel's partner on defense, will start on a long drive to Los Angeles. He will be accompanied by his wife and little daughter. Johnson will keep himself in condition with hard work on his father's farm outside Los Angeles.

Baseball is a secondary attraction to Paul Thompson, substitute forward. The spring wheat crop awaits him at his Calgary farm, and he will be kept busy with that until June. In the off season until August he will play second base for a Calgary semi-pro baseball team and then finish his farm work. After that it will be hockey again.

RANGER ALL TIME

It's a case of Ranger winter and summer with Patsy Callighen, spare defense player. He will be a fire ranger if he can pass the requirements. Callighen's home is in Toronto.

Leo Bourgalt, substitute defence player, and Alex Grey, substitute forward, have had propositions in view for some time, and in their spare hours will fish and swim. Murray Murdock, who makes his home in Flushing, will work as an actuary for an insurance concern in New York.

Los Patrick, manager of the Rangers, will attend to his business interests in Victoria, B.C., for four months and will enjoy himself at golf, motoring and fishing.

Around The World With Sport Fans

(By The Tramp)

The international yacht races are to be held this year at Vancouver under the auspices of the Royal Vancouver Yacht Club, commencing on July 2. It has been suggested that the Prince Rupert Yacht Club instead of putting on its annual races should try to arrange a run to this port from Vancouver and put up a cup for the winner in a handicap race. They could then entertain the visitors on their arrival. Even if no cup is put up, it might be a courteous thing to invite them and suggest that they all make the run up the inside passage this far before returning south.

The Kenora Football League executive is planning to insure the players in league games. This seems rather an unusual thing, at anyrate in an unimportant league.

One of the horses to race in the Derby at Epsom is named Winnipeg. He is an almost unknown quatity. J. E. Widener paid 3,600 pounds for him at the Deauville yearling sales in 1926 and almost a year later this son of Rabelais and Whydah won a two year old race in fine style.

But that was nothing to a match played the same day between Sussex and Nottinghamshire, Sussex making 516 runs and Notts batted twice with 229 and 278. For the winners Langridge made 114, Bowley 114, and J. Parkes 162.
