There are a great many improvements that might be made to Prince Rupert and district in order to make this part of the country more prosperous. Some of them may be easy of attainment and others difficult. Here are the suggestions:

> Trans-Pacific steamship service. A large hydro-electric power development. Erection of smelter in vicinity. Establishment of a paper mill.

Establishment of a shingle mill here.

cities where he will spend a vacation.

The Tailored Pajama of Non-**Tailored** Fabrics

Here is a paradox! A pair of lounging pajamas that are almost tailored, they are so simple in design-and yet, that are not fashioned of sports materials.

The set illustrated here is a flattering reflection on the good taste of its designer. For the trousers and jacket a heavy white silk, brocaded in silver, has beer employed, while the lining of the jacket is of net. Shell pink velvet forms the smart sleeveless vest that may be worn, informally without the jacket. The soft bow on the left shoulder is, of course, of the same velvet.
