The prize in this case was a trip to Vancouver fair accompaned by the 192 mother in each case.

ANTIMONY IN CANADA

Although the production of antimony James Russell arrived on the Catala 'rom Canadian mines was first recorded in 1886, shipments have been somewhat erratic and production has gradually cline in the market price of the metal. Ores of antimony are known to occur, however in British Columbia, New passenger on the Prince Rupert this Brunswick Nova Scotia, Ontario, Quebec, and Yukon, and there are indications of a renewal of interest which Mrs. Judge and child were arrivals may result in antimony being regularly on the Prince Rupert from the south included in the statistics of Canada's mineral production. matinee and evening. Erck Bye. LAND ACT AMENDWENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed British subjects over 18 years of age, and by aliens on declaring Intention and improvement for agricultural vurposes.

Full information concerning regutations regarding pre-emptions is "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Gov-

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be

For more detailed information see the Bulletin "How to Pre-empt

PURCHASE

Applications are received for pur-"chase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10. Land Series, "Purchase and Lease of Crown Lands."

timber land, not exceeding 40 acres, may be purchased or leased, the con-HOMESITE LEASES

Unsurveyed areas, not exceeding 28 acres, may be leased as homesites, conditional upon a dwelling being prected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed

LEASES For grazing and industrial purposes areas not exceeding 840 agres may be leased by one person or a company. GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, sampers and traveliura up to.

Unpardonable Perspiration Odour readily avoided

What quality can match the beauty of a lovely skin? And what social error can so readily embarrass its possessor, as that subtle offence — perspiration odour?

Of course, every one perspires. In this way nature rids the human system of one to two pints of moisture every day.

But this perspiration, so necessary and so healthful, need not be offensive.

Why not be sure of absolute personal daintiness? All you need to do is use Lifebuoy for face, hands and bath - and perspiration odour will vanish.

Lifebuoy, besides being a delightful, all-sufficient

To Keep Well

> Drink plenty of water, perspire freely, bathe often with Lifebuoy Soap.

BARBERS RESERVED BERRESS RESERVED S

toilet soap, possesses mild but effective antiseptic qualities which clear away clogged pores, purify them, and make perspiration odourless.

And there is no price penalty, because Lifebuoy costs no more than toilet soap that is just "soap."
