Canadian Labor He Laud Minister Heena on Employment Views

Dominion Has Too Long Been Allowing Misleading Propaganda to Go Without Official Contradiction—No Room Here.

OTTAWA, July 26—A statement bearing the signature of Tom Moore, president, and P. M. Draper, secretary of the Trades and Labor Congress of Canada, endorses the views expressed recently in regard to immigration by Hon. Peter Heenan, minister of labor. The statement says that, "in exposing the true situation respecting immigration from Great Britain to Canada, the minister of labor has done a service not only to the people of this country but to intending immigrants. Too long has the Canadian government remained silent and allowed misleading propaganda as to the opportunities for employment in Canada to be carried on without any official contradiction and especially does this apply to the opportunities supposed to exist for miners. The Minister's clear declaration that Labor Department records show a surplus of coal miners already in Canada should definitely give quietus to those who seek to export the miseries of the British miners by seeking to induce them to migrate to Canada only to meet with similar conditions of unemployment as they left behind. The same can be said of practically every other industrial activity."

MAN BURNED IN BOAT EXPLOSION

ARMAND LUND INJURED IN FIRE ABOARD HALIBUT BOAT INEZ H. THIS MORNING

As a result of an explosion aboard the halibut boat Inez H. this forenoon at 11.15, Armand Lund, a member of the crew, was taken to hospital with burns about the head and face and the skipper, Ed Skogno, was also badly burned and cut though not seriously.

The Inez H was at the Lipsett flats just getting ready to leave for the fishing grounds when the accident occurred. Oil had been taken aboard at the Imperial Oil Co.'s wharf over an hour previous and the boat had completed taking supplies. The skipper and Lund were in the forecastle starting the engine when the explosion occurred. Hoses were put on by the Lipsett Company's employees immediately and the chemical wagon of the oil company was rushed to the boat where the flames were extinguished.

The city fire brigade was also on hand but the fire was under control by this time. It is believed that the injured man jumped overboard to extinguish the burning clothing and was able to get ashore himself.

The boat shows practically no sign of the explosion though only an examination will determine the exact extent of the damage. Provisions in the boat were destroyed.

CANDIDATES ARE NEEDED

OPPORTUNITY OFFERED IN BIG CIRCULATION DRIVE MAY NEVER BE REPEATED HERE. ENTER TODAY AND "CINCH" THE PRIZE OF YOUR CHOICE

Although the Prince Rupert Daily News' campaign department has several nominations entered in the big \$4,000 "Everybody Wins" campaign but few have shown their desire to win by turning in subscriptions. The time to secure your votes is now, while each subscription counts for so many more votes and also while the field is not being worked by many. The campaign department would indeed appreciate it very much if those who have not reported and really intend to be active would signify their intentions by reporting at campaign headquarters at their first opportunity.

How could anyone spend their time more profitably than in securing new or renewal subscriptions among their friends to The News with a guarantee of at least 10 per cent of every dollar on collect in subscriptions and at the same time accumulating votes toward these two fine new motor cars to be awarded the workers in a very few weeks.

Candidates should have no trouble securing subscriptions for it is only necessary to read one issue of the paper to realize that its aim and ambition is to serve the people of this section in the most able manner possible.

While it is true that The Daily News already enjoys a large circulation, nevertheless this does not satisfy them, or will they be satisfied until it reaches each and every home in this section with its messages of progress and its stories of opportunity, yet untouched or undeveloped.

The Daily News' campaign office (located on the second floor of The News building, 243 Third Avenue, Prince Rupert) will be open from 9 a.m. to 8 p.m. each day. You will always find the Campaign Manager here. Put him to work for you. He will be glad to help telephone him if you wish. Telephone 34.
