GENTLEMEN of the Canadian Jury,

I believe that every man has the right to do as he d—n well chooses, until he injures or threatens to injure someone else. I have lived up to that belief.

The launch Narbethong is at your service for a price of \$3.50 per hour, which price experience has proved to be necessary. There is no variation. Square dealing pays. Therefore, it is the motto I have adopted.

FISHERMEN GET POOR DEAL AT OTHER PORTS

Visitor to Seattle Comes Back Very Dissatisfied With Treatment Received.

Fishermen will be glad to have the strike settled, for they like marketing their fish here much better than at other ports. Since the tie up they have been badly handicapped. Some have taken their catches to Ketchikan and others to Seattle, but at neither place have they been given anything like as good a deal as they would have received here.

When the strike commenced, halibut was selling at fourteen and fifteen cents. Immediately the men left their work it dropped to ten cents and has held there pretty steadily ever since.

One of the men who went to Seattle with his fish told a News representative that the dealer there had given them the boot pretty badly. For number-one fish they paid twelve cents, but they culled the catch to such an extent that half of it was number 2, which sold at about half that price.

"There is no place like Prince Rupert for selling fish," was the final conclusion of this fisherman. "Here you get a square deal usually. It is my last trip to Seattle for many a day to come."

VAUDEVILLE AND PICTURES TONIGHT

Westholme Double Program & Be Repeated is Excellent Variety Show.

There was a full house at the Westholme last night to see the picture "A Midnight Romance," with the beautiful Anita Stewart as star and to watch the vaudeville turns.

The Bailey sisters are great dancers. Their exhibition last night was first rate. All they need now is a little more vivacity, a few touches of makeup and to practise the art of smiling and they become professionals of a high order. Their dancing was much appreciated last night and the recall was spontaneous.

"Archibald" was simply killing. Each of his character songs proved highly interesting and his change of makeup caused no delays.

Anita Stewart is at her best in "A Midnight Romance," a curious story of love at first sight commencing with a chance meeting at midnight. Of course there is a third party to the triangle but this time it is a girl who is looking for the man's cash.

The program will be repeated tonight.

THE JUNIOR COLTS WIN FROM DRYDOCKS

In the baseball game Monday between the Junior Colts and the Drydocks the former were victorious by a score of 11 to 3. From the beginning the advantage was for the Colts and in spite of several rallies by the plucky and gritty Drydocks the tide of events could not be changed. The best hitting was made by Eddie Clapp and George Hill, the latter making a home run in the eighth inning. Don Graham proved to the fans that he knew his game when he speared a fast fly travelling towards the brush behind second base. Sid Winsby was the umpire for the game. The lineups were:

Drydocks—S. Hibbard, catcher; Morrison, 1st base; Crossley, pitcher; Lambie, right field; J. Fotos, short stop; Graham, 2nd base; Halverson, left field; C. Hedlam, 3rd base, H. Hibbard, centre field.

Colts—C. Currie, right field; G. Mitchell, short stop; Martin, left field; Suga, 2nd base; Frizzell, pitcher; G. Hill, catcher; W. Mitchell, centre field; G. Roberts, 1st base; I. Clapp, 3rd base.

Following the game the boys of both teams went up town and were entertained to ice cream through the kindness of Mr. Emad of the E. E. Confectionery.

FARM LOANS for SOLDIERS

How Everyone Can Help

THE Government has developed a liberal and broad plan to help soldiers settle on farms. It is securing land. It is granting substantial loans. It is obtaining advantageous prices on equipment, implements, building materials and live stock. It is providing agricultural training and farming supervision.

That is as much as the Government itself can do. But the plan needs more. It needs a community spirit of co-operation.

Already Provincial Governments, Universities, Farmers' Associations, and Veterans' Associations are giving valuable assistance. Many manufacturers and sellers of farm supplies have agreed to allow the soldier settlers special prices. Many successful farmers have willingly worked on Qualification Committees which have to pass on the applicants. Men who have had experience in lending money on farm property are serving on Advisory Loan Committees, judging land values.

But even such practical assistance is not enough. In each community farmers can be of real service to the soldier settler. They can give him advice about local conditions. They can lend him an extra horse or plough, give him a day's help at seeding or harvest time, and extend to him that friendly, neighborly, respectful spirit which he deserves.

In this way Canada is performing a double duty. It is discharging, as far as possible, the debt we owe to our soldiers; and it is adding to the country's chief industry a body of competent, willing producers.

Full information about lands and loans for soldiers will be sent on request to the Provincial Superintendent, Soldier Settlement Board, Rogers Building, Vancouver, B. C.
