AROUND PRINCE RUPERT

Big Gold Vein on Outland Silver Bar Holding — Sensational Discovery in Telkwa Field—Babine Silver King Showing up Well

A property near the head of Salmon River glacier, which is being developed by the Outland-Silver Bar Mining Co., is showing a big vein of gold bearing ore that is twenty-five feet wide and entirely different from any other mineral vein so far discovered on the hill. A tunnel has been started and the ore on the face assays $20.80 in gold and four ounces silver. While development of this new vein is proceeding, work is continuing on the promising silver-lead showings that have already placed the Outland-Silver Bar in the class of a potential big mine.

The big vein, which was the objective of the long tunnel driven on the Terminus mine at Stewart, has been encountered and carries some surprises. The ore, so far as the vein is penetrated, is a quartz-porphry with a generous amount of fine grained galena and silver sulphides. On the surface it showed mostly zinc-blende in a gangue of quartz and barite. The big vein stands true as to dip with a clean hanging wall and a small streak of pure galena in the gouge. H. A. Heywood, managing director, says that the miners have penetrated the vein for eleven feet and the footwall is not expected for some time yet. The tunnel, which crossed the high grade vein some time ago, is now in 518 feet and gives a depth on the vein of 175 feet.

The Telkwa River field sprang into renewed mining prominence recently when Messrs. Goodwill & Wilson returned to Telkwa with sensational samples of galena ore taken from a new group they have discovered and staked on Bonanza Mountain, south of the Kitchener group. A massive showing of ore is indicated at one end of the vein which has been stripped on the surface for about 600 feet. The vein is approximately eight feet wide and on both hanging and footwalls there is said by the locators to be a width of one or two feet of clean ore. On the other end there is a large outcrop of copper. The owners are carrying on additional work to determine width of ore and values. The new ore has caused considerable stir at Telkwa.

The Babine Silver King property in the Babine Range, 19 miles northeast of Smithers, has been yielding good results from development this summer. In the main tunnel a cross-cut recently driven shows up twenty-one feet of ore said by the management to assay over $61 in all values. Surface trenching and stripping on another vein has established a length of 1000 feet with good ore in all cuts. This vein averages four feet in width and runs in the direction of the Cronin property. A. J. Gaul, M.E., is at present in charge of operations. On the Victoria group P. J. Higgins and crew of men have been extending the work on the main vein which is opened up for some three thousand feet in length on the surface. New work in the main tunnel has uncovered ore with values of $9 in gold, 376 ounces silver and 17 percent lead.

J. Bergstein, in Smithers recently, displayed some fine ore samples taken from a new discovery he has made in the Perow section, west of Topley. The new claims are on McAvoy Creek in the general Topley formation and are but a short distance west of the Jack Rabbit group which is giving splendid results from development carried on by Frank T. Taylor. Several claims were staked by the locators and others are staked in the new strike.

LADIES! Come in and get one of these marvelous full size 10-piece Souvenir Sets of Genuine

Vivani

Exceptionnel Beauty Products

Nationally Advertised in Saturday Evening Post, Harper's Bazaar, etc., to retail for a total of $10.00. Yours for the Gift Certificate below and a small service charge of .....

ADDRESS .....

Ten Years Ago in Prince Rupert

SEPTEMBER 11, 1918

W. P. Hinton, president and general manager of the Grand Trunk Pacific Railway, in the city this morning stated that the Mullen Construction Co. was making arrangements for construction of ships to be started at an early date at the local dry dock.

Chief A. C. Minty of the provincial police was advised last night that Frank Martin, government road superintendent, had be shot and killed at Swamp Point near Stewart. A man is reported to have been arrested in connection with the affair.

A million tons of ore a year is now being mined and treated by the Granby Co. at Anyox. It is by far the biggest and most important mining camp in the north today.

CANADIAN NATIONAL COAST STEAMSHIPS FALL SCHEDULE

With the arrival of the SS. "Prince Rupert" from Vancouver Wednesday, September 12, the Fall Schedule will be effective. The big boats will arrive from Vancouver and intermediate points each Wednesday and Saturday at 10.30 a.m., sailing for Vancouver each Thursday and Sunday 11.00 p.m.; sailing for Stewart Wednesday 10.00 p.m.; for Anyox and Ketchikan Saturdays 4.00 p.m. Note particularly change in sailing days for Stewart and Anyox. Effective September 22, fortnightly service will be restored via Queen Charlotte Islands, boat sailing from Prince Rupert fortnightly for Vancouver, calling all Island points en route. Full particulars from City Ticket Office, Phone 260. 214

GOLDBLOOM'S SALE OF LADIES' FUR COATS

Would you like a fur coat? And would you like to get it at one third less than the regular cost? Of course you would. Who wouldn't? The thing to do, then, is to visit Goldbloom's the old reliable fur dealer. Goldbloom is having a sale of furs before he leaves for New York. He goes next week to arrange for his purchases of raw furs and until he leaves, every article in his store is being offered at real sale prices—one-third below the ordinary price.

After being twenty years in business in Prince Rupert, Goldbloom prides himself on the number of his satisfied customers. He guarantees every article he sells to be as represented and to give satisfaction—with a money back guarantee. And no one can do much better than that!

So see Goldbloom this week about that fur coat, before he leaves for the east.

BURNS LAKE

The highway in the vicinity of Perow has been greatly improved as a result of considerable work carried out by the provincial department of public works. Widening and elimination of curves has greatly reduced the hazards to traffic.

Miss E. L. Haines, R.N., lady superintendent of the Burns Lake Hospital, has left for a holiday trip which will take her to Skagway and Vancouver.

Miss Dorothy McGowan left last week for Prince George where she will attend High School.

There were eighty pupils in attendance when schools reopened in Burns Lake.

School teachers in this district this term include: Miss Alice Pillsbury, Francois Lake; Miss Lindland, Southbank; Miss H. Harrison, Perow; Miss Mohr, Palling; Miss Gynn, Forestdale; Miss Stone, Wistara; Miss Deane, Uncha; Miss Aileen Stephens, Nadina River; Miss Netta Clark, Driftwood Creek. There are the same number of schools in the district as last year; Nadina River being opened while Decker Lake has been closed.

John Berg has returned to Burns Lake after having been a patient for some time in the Prince Rupert General Hospital.

After receiving treatment in the Burns Lake Hospital, Mrs. R. J. Jannack returned to her home at Topley last week.

SMITHERS

The five rooms of the Smithers public school are overcrowded with close to 200 pupils, there also being a good attendance in the new High School building.

Oats are being bought by local merchants at $2.15 per hundred here while wheat is bringing $2.25.

Frank H. Taylor, manager of the Topley-Richfield, returned last week from a business trip to Vancouver, accompanied by G. Groves who takes over the position of mining engineer at the mine. Mr. Taylor states that interest is running high in Vancouver in mines in this district.

Ray Oulton and A. E. Roth have taken over the management of the Oulton dairy farm, Mr and Mrs. George Oulton now taking up residence in Smithers.

Crops have been maturing excellently under the protracted spell of hot weather which has been experienced in the Bulkley Valley. There will be a satisfactory crop of grains in all sections and the hay harvest will be much better than was at first expected.

Roy Loveseth of Prince George was in town last week, being on his way to Prince Rupert.

NEW HAZELTON

Mr. and Mrs. Allen Benson are making a motor trip to Vancouver and Victoria.

Road work on the main highway below Skeena Crossing has now been closed down for the winter.

Miss Ethel Tomlinson left last week for Prince Rupert where she will resume her school and musical studies.

A daughter was born at the Hazelton Hospital last Monday to Mr. and Mrs. Cooper H. Wrinch.

Mrs. T. H. Wright has left for Winnipeg where she will attend the general council of the United Church of Canada. On her return from the East, she will attend a provincial convention of the W.C.T.U. at Kamloops.

MINISTER IS INVITED

The Omineca branch of the British Columbia Chamber of Mines at Smithers has sent an inviation to Hon. W. A. MacKenzie, new minister of mines, to visit the district this fall and gain first hand knowledge of the mining possibilities.

TIRED, WEAK, NERVOUS WOMAN BENEFITED

Praises Lydia E. Pinkham's Vegetable Compound

Asbestos Mines, Quebec.—"After the birth of my second child, I was always feeling tired, nervous and weak and had headaches, backaches and terrible pains every month. I suffered two years before I tried Lydia E. Pinkham's Vegetable Compound. I got four bottles at first and it did me a world of good. I would not be without it in the house now, and have another six bottles in. I recommend it to every woman I know."—MRS. T. BARRITT, Box 114, Asbestos Mines, Quebec.
