A HARD GAME OF FOOTBALL

TERMINALS AND THISTLES PLAYED TO 1-1 DRAW LAST NIGHT

Terminals and Thistles played a hard game to a 1-1 draw in the Gilnuly Football Cup last evening, before a good crowd of spectators who say a very interesting game.

Currie was prominent for Terminals but Haig cleared. Dyer centred and Gurvich had to punch away. Haddon was clever. Chenoski was in the picture, too, but Dyer robbed him. Hill headed away a fine pass from Haig. Dyer stopped Chenoski after Warren had given the latter a nice opening. Stiles was lucky to clear. Comadina centred well. Strachan tried a first time shot that went too high. Skinner headed away in an attack. Farquhar used his speed to catch a ball that the defence thought would go behind and Gurvich was lucky to scramble it away. They had a narrower escape when Erskine came in fast to touch the ball past Gurvich but it hit the upright. Stiles cleared well and then Howe was unlucky to handle in the penalty area and from the spot Erskine put Thistles a goal up. Terminals came right back but Stiles cleared. Farquhar made a splendid run beating man after man but Comadina put the ball over the open goal. Play was at the other end in a flash and after Dickens hit the crossbar Warren put the teams level. Gurvich caught a fine centre from W. Mitchell and cleared.

Play in the second half opened fast and Alex. Mitchell put over. Haig cleared and Woods stopped Dickens. Slocombe punched away a high shot. Currie, Warren and Dickens showed neat football but Haddon cleared. Then Dickens hit the upright, and later headed over from Currie's well taken free kick. MacDonald made a good run. Dyer gave W. Mitchell a good opening but he shot far over from well out. The light was now poor and mistakes were frequent but no goals were scored though Haig was lucky to clear from Harrison. Play was even to the end swinging from one goat to the other but no further goals were scored.

Teams:

Terminals—S. Gurvich; Howe, Skinner; Hill, Currie, MacDonald; Harrison, Strachan, Dickens, Warren, Chenoski.

Thistles — Slocombe; Stiles, Haig; Dyer, Haddon, Woods; Comadina, S. Erskine, A. Mitchell, W. Mitchell, Farquhar.

Referee—W. Williscroft.

Linesmen—A. Clapperton, Burdett.

Soccer Comment

In the football match last night Gurvich kept a good goal for Terminals. Howe was unlucky to give away the penalty and otherwise kicked well. Currie was the best halfback both in constructive and defensive play. MacDonald tackled well and combined well with his forwards. Hill played his usual fast game and used his head to great advantage in hpite of getting a nasty knock early in the match. Terminal forwards played a fast game but found Thistle defence sound. Harrison was fair, Strachan always fast and keen was a constant source of danger. Dickens should learn to shoot. The only way to control a ball is to keep the knee over the foot as the ball is struck. If Albert practised this he would get many more goals but he skies too many. Warren knows how to hit a ball and played a neat clever game. Chenoski swung across many dangerous centres.

Thistle were well served by Slocombe in goal but he must keep his eye on the ball not on the opposing player, and he should field every shot with his hands, only kicking the ball when he cannot possibly catch it. Haig was the best back on the field his tackling and positioning being of the highest standard. Stiles is improving but found Chenoski a hard problem. Haddon turned in a splendid game and was well supported by Dyer. This youth is one of the finds of the season. Woods was not so good as usual. The forwards were weak. Alex Mitchell had an off night. Willie as not up to his standard and tried too many long shots—that usually went wide. Comadina made a fairly good start and is well worth persevering with. Erskine had hard luck not to score when he touched the ball so neatly out of Gurvich's hand. But for an inside forward he did not get back at times enough. Farquhar made the best run of the game and his centre was well worth a goal.

Altogether Terminals were lucky to be on even terms at the finish.

SPORT CHAT

Jack Campbell, chairman of the sports committee of the Trades and Labor Council's Labor Day celebration next Monday, announces that the grounds will be properly marked and that records in the various boys' events will be kept and compared with records of junior sports at Stamford Bridge, England, and High School sports at Vancouver. A good program of boys' sports has been lined up for Labor Day and a number of lads are practising assiduously with a view to participating. The card is an interesting one and, if weather remains good, all events should be keenly contested and the whole day's proceedings should be a great success.

A post-league series of baseball games is now in progress at Anyox. In the first game, the Elks, many games ahead in the league, defeated the Concentrator by a score of 8 to 4. In the second match, the Elks also won but by a closer score, 5 to 4. There will be five games in the series. A number of boys, formerly in Prince Rupert, have been playing ball at Anyox this season including Chenoski McColl, Cavalier and Meagher.

Vancouver cricket players last week sustained a worse defeat at the hands of the batsmen from H.M.S. Durban than did the locals when they played with the officers from the warship recently. Vancouver's best players lost by an innings and 215 runs while Prince Rupert's defeat was by an inning and 48 runs. "Cricketers from the visiting warship gave a Vancouver eleven a thrilling exhibition of how the game should be played," commented the Vancouver Province on the match. Lieut. Commander Agnew and Midshipman Merriman gave the finest display of forceful and polished batting ever seen on the local ground."

LACROSSE PRACTICE TONIGHT

Lacrosse practice tonight at 6.30. All players are requested to turn out to get into shape for series to be played with the Indians during the fair.
