BAITING THE YANKEES

There was a great hulabaloo in Canada when Mayor Thompson of Chicago eliminated British or pro-British books from the public libraries of that city. He was held up to ridicule, and justly so, both here and in Britain been made to the ventilation sysand by a great many of his own countrymen.

Some Canadians are now tending toward the Thompson position in trying to eliminate anything American from Canadian school text books. Perhaps we have been too lax in the past but when it is proposed to eliminate modern forms of spelling just because they are of Ameri- made in this theatre represent a can origin it is going rather far. We "favor" them strongly. (We do not "favour" them). We believe that the shortened form is better and so do most Canadian newspapers. To change back to the older forms would be to become archaic in our expression.

Local Theatre Practically New Playhouse as Result of Extensive Work Now Being Finished

Extensive renovations, which will make the Westholme Theatre into practically a new showhouse, are nearing completion and the interior of the commodious audiorium now presents a very attractive appearance. Redecoration work has been carried out with much taste by Silversides Bros., the walls and ceiling having been kalsomined and painted in an artistic manner. Featuring he redecoration are two paintings at the front over the boxes, one depicting a scene at Lake Khtada and the other at Shawatlans Lake. These were the work of Thomas Silversides. Lower parts of the walls are finished in an artistic fresco design while he upper walls in pink and golden tars lend much to the appearance of the ceiling. New curtains and drapes are being installed on the

New seats have been installed throughout the building and the rows have been placed far enough apart that the former crowding is avoided. Improvements have tem and two new exits have been installed on the balcony floor. Carpets on the aisles are another improvement. A new grand piano as also been put in.

Improvements that have been Mitchell & Currie have carried out the carpenter work.

Model Seven twenty-six combines new Victor instrument with newest Radiola Eighteen-Volume from whisper to full Orchestra

Do not lose any time before you see and hear this magnificent new instrument, as there are very few at present. Both Victrola, which reproduces and amplifies recorded music electrically, and the Single Control Radiola 18 operate from the light socket. No batteries. A twist of the wrist changes like a flash from records to radio, or back again.

Early English cabinet is beautifully designed in walnut, stationary top. Two doors opening in front reveal the operating panel, flanked by four colored leather albums in the very latest vogue.

The New Orthophonic Victrola and the New Electrical Reproducing Orthophonic Victrola are made in a range of beautiful models with or without radio from \$1400 down to as low as \$115. Obtainable from His Master's Voice Dealers on convenient payments.
