OF course, we do not actually trade new blankets for the soiled ones you send us....but one would almost believe them new when they are returned to you. Soft and fluffy... and clean! No home equipment can possibly finish woollen blankets, nor in fact, any woollen garments, in the superlative manner of the modern laundry. And our prices are moderate for this invaluable service.

# PAIN from CITY COUNCIL

Committees Will be Appointed by Mayor McMordie on That Occasion

city council will take place on Thy day night of this week,

The principal feature of interest at this meeting will be the announcement of appointments of committees by Mayor McMordie. It is considered likely that Ald. W. M. Wrown will retain the chairmanship of the utilities committee. Finance committee chairmanship is believed to be earmarked for Ald. Theo Collart, who headed the polls at the election last week and who is a former "finance minister." Who will succeed Ex-Ald. R. F. Perry as chairman of the Board of Works seems to be pretty much in doubt although 't is probable that Ald. W. J. Greer, sole remaining member of last year's board of works, may be elevated to the chair-

Other new aldermen to be alloted are Ald, Frank Dibb, who will probably be placed on the finance committee; Ald. A. J. Prudhomme and Ald. George Rud-
