AIRPLANE WITH FOUR PASSENGERS AND TWO PILOTS LOST

Victoria-Seattle Plane Is Lost Two Pilots And Four Passengers Including Two Prominent People

Left Victoria at Ten O'clock Saturday Morning and was 4 Seen by People on Olympic Peninsula and Crash Heard Across Water

SEATTLE, August 25. — The Victoria-Seattle plane * Toric Mine is steadily sending with four passengers and two pilots has not been heard of six to seven tons daily. This from since leaving Victoria Saturday morning. A big * is being accumulated at the dock * oil spot on the water near Port Townsend was found by are ready when it will be taken a searching plane but no wreckage or other trace of the + to the smelter. lost plane.

PORT ANGELES, August 27.—Information indi- other improvements will cating that the missing B.C. Airways plane crashed in & made at the property. Washington Harbor, 30 miles south of here was received . . today. A fisherman reported that a large monoplane circled low over his boat, so 'ow that he ducked to prevent being hit by the undercarriage and then crashed in the Water some distance away. This happened at eleven FISH LANDINGS o'clock Saturday morning.

Credence is given to the story by the wife of a cannery operator, who said she heard the plane circling over Washington Harbor many times, as if in distress.

SEATTLE, August 27. — Search for the B.C. Airways monoplane with four passengers and two pilots, missing since they left Victoria at ten o'clock Saturday morning for Seattle, turned today to the Olympic penin- morning, offerings being heavier than sula southwest of Port Hadlock where the plane was reported to have been seen Saturday by three women and at from 11c and 6c to 14.4c and 8c nearly a dozen children. The report was the first hope- while ten Canadian boats sold 98,500 ful clue in 24 hours. The women said the plane flew low and 7c. at 10.8c and 6c to 12.3c over the town at 11 a.m. Saturday. They could read the Airivals and sales were as follows: wording on the fuselage. The motors were missing and it was headed towards Oak Bay.

Coastguard officials are inclined to believe that the pilot was heading for the clearings and the fields in 14.1c and 8c. Chimacum Valley, 12 miles south of Port Townsend. A forced landing there, airmen say, inevitably would mean a crash with injuries to all on board.

Princess Patricia Collides

Meantime the report that a crash was heard by sev- & Cold Storage Co., 14.2c and 8c. eral people 'eading to the belief that the plane had dived into the Strait of Juan de Fuca off Point Wilson is par- eries, 14.4c and 8c. tially explained by news of a col'ision in the fog about eries, 14c and 8c. that time between the Princess Patricia and a sawdust laden scow. The towing tug was barely able to get the scow into Port Townsend.

VICTORIA, August 27.—The missing plane was a cries, 14.4c and 8c. tri-motored al-metal monoplane. On the report that she was missing, Ernest Eve, president of the B.C. Air- Bish and Cold Storagt Co., 14.4c and ways and pilots started a search. Meantime naval planes from Seattle and planes from other Washington air patrols are searching the waters for any sign of the plane. Marguerite, 3,500 pounds, and Ter-

The fog and smoke was terrible, they reported. nen. 7,000 pounds. Atlin Fisheries These factors continued yesterday and today, interfering Dolphin, 12,500 pounds, and zero. with flying.

It is explained that it is difficult to tell fog from water and the pilot might easily have flown into the water. If he did so, travelling at eighty miles an hour the plane would turn over and sink like lead.

Among the searchers was Alex. Holden, pilot at

Tacoma, son of Dr. Holden.

VICTORIA, August 27.—Robert Louis Carson, as- Fisheries, 12.5c and 7c. sistant pilot, missing with the Victoria-Seattle plane, was a actoria boy residing on Quedra Street. He was 23 years old and had been awarded a pilot's license after smithers and has been appointed completing the test by flying to Vancouver and return on to the staff in the city, returned home Friday.

Treaty Outlawing War Signed Today at Paris Fifteen Nations There

Germany Signed First and United States Second, and Soviet Invited to be a Party to Universal Peace

PARIS, August 27.—The renunciation of war treaty was signed this afternoon by plenipotentiaries of fifteen nations. Dr. Gustav Stresemann, German foreign minister, signed first, Secretary Frank Kellogg of the United States second. Premier Mackenzie King signed for Canada and Lord Cushendon for Great Britain.

By the pact the countries renounced war as an instrument of national policy.

With the signing all the peoples of the world are invited to join in an effort to achieve permanent universal peace.

Soviet Russia is being asked to take part, through the French government.

Signing was done in alphabetical order of the countries and names were translated into French. United States was regarded as America so as to make Kellogg the second signing.

RUMOR OF BREAKING RELATIONS WITH CUBA OVER TRADE TREATY

HAVANA, Aug. 27 - Insistent rumors here say that Canada proposes retiring its diplomatic and commercial representative to Cuba because of differences arising out of Cuba's refusal to endorse the proposed special concessions for Canadian interests on the island under the projected commercial treaty. There was no confirmation of the report at the state department.

OTTAWA, Aug 27 .- No confirmation was obtainable last night of rumors that Canada is dissatisfied with the progress of negotiations for the renewal of the trade agreement with
