The Truth-

NO LYE

You'll find no lye bottle under our apron when we do your family washing. We use only sudsy soap and rainsoft water to wash clothes clean. We don't rub your clothes threadbare, either. Just swish suds and water through every fabric pore. Our method makes clothes last longer. Makes 'em cleaner, too. Just let us do a trial job—then you'll see!

YANKEES BEAT THE ATHLETICS

PENNANT HOPES OF PHILADELPHIA DASHED IN TWO GAME ROUT YESTERDAY AT HANDS OF NEW YORK

(Special to Daily News)

NEW YORK, May 26.—Pennant hopes of the Philadelphia Athletics were crushed yesterday with the loss of both games of a doubleheader to the leading New York Yankees who thus increased their margin of supremacy to six-and-a-half games. Meantime, Cleveland Indians, by winning over St. Louis Browns, advanced to two games behind the Athletics. Boston, by blanking Washington Senators ousted the Browns from fourth place.

The National League race continues close and exciting. Cincinnati Reds retained the lead by winning over St. Louis Cardinals who dropped to fifth place behind the New York Giants who won over the Phillies. Chicago Cubs, winning over Pittsburg Pirates, are still the runners-up while the Dodgers, through defeating Boston, retained third place with a scant few points over the Giants.

Yesterday's scores were as follows:

AMERICAN LEAGUE

New York 4-9, Philadelphia 2-2.
Washington 0, Boston 5.
Detroit 0, Chicago 1.
St. Louis 4, Cleveland 8.

The Aviator

Absolute dependability is aviation's first law and that is why I use dependable Champion Spark Plugs.

Champion is the better spark plug because it has an exclusive sillimanite insulator specially treated to withstand the much higher temperatures of the modern high-compression engine. Also a new patented solid copper gasket-seal that remains absolutely gas-tight under high compression. Special analysis electrodes which assure a fixed spark-gap under all driving conditions.

SPORT CHAT

There has been considerable criticism of the decision of last Wednesday night in giving Dido Gurvich of this city the decision in the twelve round bout over Alf Harding of Calgary. As a matter of fact, it almost looks as if ninety per cent of the fans thought the award should at least have been a draw while a few seem to think that the decision should have been reversed altogether in favor of Harding. Not even the judges who gave the best of it to Gurvich will deny that it was not the winner but Harding who did practically all the leading. On the other hand, blow for blow, which was no doubt the system the judges followed when they decided in favor of Gurvich, Dido had probably an edge though his blows on the whole were light taps when compared with Harding's fierce onslaughts which, after all, had only little success.

Dido was also the best defence fighter but many think that he spent too much of his time defending by closing up and running away and should have shown a bit more initiative. That may be right but it should also be remembered that defence counts in this boxing game almost as much as attack. As a matter of fact, the man who never defends very often never gets the chance to attack. There are no doubt a large number who would like to see these boys matched again and next time it is to be hoped that Dido will open up a bit and give Harding a little of his own style of fighting. Then it is possible there may be one of the liveliest battles this city has ever seen with the probability before it is through of somebody eating the dust—and resin.

Joan McSheehy, 15-year-old swimming marvel of the Whitinsville Swimming Club, broke seven world's records and established an eighth in an exhibition under the auspices of the New England A.A.A.U. The records were all back-stroke style, and Miss McSheehy, resting between swims, declined to leave the pool until she had shattered all of the late Sybil Bauer's marks from 440 yards up.

OUT FISHIN'

A feller isn't mean.
Out fishin';
His thoughts are mostly good and clean,
Out fishin';
He doesn't knock his fellow-men,
Or harbour any grudges then;
A' fellow's at his finest, when
Out fishin'.

The rich are comrades to the poor,
Out fishin';
All brothers of a common lure,
Out fishin';
The urchin with the pin an' string,
Can chum with millionaire and king,
Out fishin'.

A feller's glad to have a friend,
Out fishin';
A helpin' hand he'll always lend,
Out fishin';
The brotherhood of rod an' line
An' sky and stream is always fine,
Men come real close to God's design,
Out fishin'.

A fellow isn't plottin' schemes,
Out fishin';
He's only busy with his dreams,
Out fishin';
His livery's a coat of tan;
His creed: To do the best he can;
A feller's always mostly man,
Out fishin'.

Canon W. F. Rushbrook was in port the most of this week with the Anglican mission boat Northern Cross.

Notices to mariners announce that the occulting white light on the south islet of the South Surf Islands, in the approach to Surf Inlet, has been discontinued, also that the occulting white light on the southwest extremity of Kinqui Islands, north side of the entrance to Cumshewa Inlet, Queen Charlotte Islands, has been discontinued.

HALIBUT STILL AHEAD

Though halibut landings during the past week have been under average at 624,500 pounds—218,000 pounds Canadian and 406,500 pounds American—the total landings for the season to date, standing at 9,150,900 pounds, of which 2,543,600 pounds has been Canadian and 6,607,200 pounds American, are still far in excess of last year's record at a similar date when the catch stood at 8,371,600 pounds made up of 6,129,100 pounds American and 2,451,850 Canadian.

Prices during the past week were slightly improved on the average over those prevailing in the week previous. The highest American price of the week was 15.2c and 7c given the Charlotte for 4,000 pounds on Wednesday while the high Canadian bid was 11.6c and 5c paid the Kaien on the same day for 9,000 pounds. Low prices of the week were 8c and 4c for American fish and 7c and 4c for Canadian.
