BOOTH SCHOOL BEAT BORDEN

ONE GOAL TO NOTHING IN JUNIOR LEAGUE ON SATURDAY AFTERNOON

Booth School football team won on Saturday over Borden in the Junior Football League by the narrowest margin, one goal to nil.

Borden played clever football right from the start. Kanaya and Katsuyama on the wings carried play into Booth territory but Smith had little difficulty in clearing. Fisher at back stopped Dickens. Walters centred well. Collison cleared his lines and Bussanich, Dickens and Walters indulged in a good passing bout. Fong cleared. Dickens shot over. Fisher and Vaccher were strong defenders and Wilson was safe in goal. Wingham centred well and Gilker had a long try that went just wide. Wilson saved again. Pyle kicked clear. Then Borden broke away but Chenoski was stopped and then Wilson saved twice. The game was well fought out though Booth were pressing more.

With the hill in their favor in the second half, Borden had a good chance to make their first win. Wingham made a clever run but Wilson cleared. Borden attacked. Smith for Borden was clever. Booth combined well but shot weakly and Borden defence were leaving few openings. In a break-away Nakamoto hit the crossbar and Booth had a very narrow escape. Soon after an equally narrow escape let Booth off. But the latter were pressing more continuously. Pyle stopped a dangerous raid. Vaccher stopped Walters. Kanaya and Nakamoto were nearly through. Hardie and Vaccher showed neat football. Nelson was safe for Booth. And then with every prospect of the game ending in a draw Walters broke through and Booth were a goal up. Nakamoto had another attempt at putting Borden on the score sheet but just missed.

It was easily Borden's best performance and with a little more luck they would have won. The teams follows:

Borden—Wilson, Pyle and Fisher; Smith, Vaccher, Hardie; Katsuyama, Fong, Nakamoto, Chenoski and Kanaya.

Booth—Ted Smith, Collison and Nelson; Colussi, Gilker and Cross; Walters, Dickens, Bussanich, Wood and Wingham.

Jack Campbell refereed and W. Johnston and Irvine were on the line.

Around The World With Sport Fans
(By The Tramp)

From a picnic pastime softball has grown in a few years to be almost a major sport in Ontario. Parks are being used for playing the game and where not suitable are converted. Everywhere the countryside seems almost softball crazy.

Judge Landis of Chicago who was recently visiting in eastern Canaga, urged the provision of playgrounds for children where they might play games. He said: "I do not ask you to tear down your downtown business blocks to take the property and make playgrounds. But I ask you to resolve that now, from this time on, we will have places around the town for this purpose. You can get today for dollars what in ten years from now will cost thousands. And if it isn't done today you will have to face the problem ten years from now. It has to be done."

In England at girls' preparatory schools and in women's athletic clubs and in California lacrosse is played extensively by the fair sex. The Canadian colony at Los Angles introduced the game, and there is now a women's league in that section of the Golden State. A late number of The Sphere (London) carries a picture of a lively melee in a women's lacrosse game under which the following significant, in Canada, caption appears: "A violent feminine sport; an incident during a lacrosse match at Beckenham in which the North defeated the East by 13 goals to 2. In Canada lacrosse is a popular sport among men."

SPORT CHAT

Besides the main event, a six three-minute round bout between George Bard and Ned Byrne, an attractive dish of boxing will be served to the fans at the tournament to be held this Thursday evening under the auspices of the Grand Terminal Football Club. Other items on the card will be as follows:

The cup is at present in the possession of the McBride team, and should it be won by McBride this year will become their property. There are three Prince George teams this season from which it is expected a team will be selected to meet McBride in the cup series.

Ten Years Ago in Prince Rupert

MAY 14, 1918.

The present world scarcity of fuel, it is said, should provide an excellent opportunity for the development of Northern British Columbia's coal fields.

The munitions board has purchased the entire output of the new sawmill at Seal Cove for the coming several months. E. F. Duby, the manager, who returned this morning from a business trip south, says that he expects to have the plant in operation early in June.

Negotiations are now under way between American interests and the government for the leasing of the local dry dock for the purpose of building ships.

Man in the Moon

Any man with a reasonable amount of persistence and ability can make money. The difficulty is to spend it wisely.

The wise man is he who, while making provision for the future takes joy out of life every day as it passes.

The fishing season will be open for trout pretty soon and then I know a few people who will be happy.

If a young couple could live on advice, there would be no need for newlyweds to work.

There was a local young lady went to the beach a week ago and she has been suffering with sunstroke ever since.

The modern girl, I read, is allowed too much latitude in her dress. Still, it compensates for lack of longitude.
