SECOND ROOM TO BE OPENED AND PLANS MADE FOR NEW BUILD-

meeting of the Kitsumkalum school district was held on Monday eveningand was well attended. H. Halliwell was elected chairman and Mrs. Dover secretary.

The chief business of the meeting was the planning of additional high school class room accommodation, it being necessary to have two rooms and two teachers for the coming year. The trustees were authorized to make the necessary extension to the present building to accommodate the increase in attendance at as little expense as possible and during the year is is expected plans will be put under way for the building of a new two room high school which it was advocated should be built in town.

H. Halliwell was elected trustee in place of C. H. Thomas, the retiring one. W. C. Sparkes was appointed auditor.

To cover the extra expense of additions and turnishings for the high school as well as increase in salaries at the high school, the assessment was raised to \$6,000.

Some discussion took place regarding free tuition being given to high school students residing outside the district but no action was taken.
