DIDO GURVICH COMING HOME

LOCAL BATTLER DUE BACK WEDNESDAY AFTER A BREIF TOUR OF CONQUEST IN THE SOUTH

Battling Dido Gurvich is expected home on Wednesday morning's steamer from his tour of boxing conquest to the south. During the past two or three weeks, Dido has been undergoing some extensive training and it is expected he will be able to show the boys a few wrinkles for his repertoire when he gets back. He has already issued a challenge to the winner of the Jimmy McDonald-Alf Harding bout this week.

Dido's latest exploit in the south was a bout at Britannia Beach on Friday evening last when he won easily over a man whom he knocked down for the count of four in the second round. This made the third fight he had won since he went south.

Now it is claimed that the Toronto Lakesides basketball team was not the champion team of the east because they failed to play the girls of Dalhousie University. The latter team are the maritime champions and claim the right to be considered. They say the Lakesides were only playing exhibition games at Edmonton against the Commercial Grads.

That Regina is said to be temporarily "through" with professional hockey and the amateur game will flourish next winter on a bigger scale than ever before in that city. At any rate that is the opinion shared by three men who for many years have followed the fortunes of the puck-propellers in this city—namely, Al Ritchie, Wes Champ and Fred Ufland. The severe financial losses suffered by the Caps, coupled with the recent death of their president and chief owner, Jack Webster, have just about eliminated any possibility of the salaried men plying their trade there next winter, while the simon pure game has been hoisted into a warm place in the hearts of the fans through the conquest of Howie Maine's Monarchs in the east. With Regina defending the Canadian junior championship, the stage is all set for a bumper season of amateur hockey commencing in the middle of next December.

Some boxers when they reach the heights of success squander their money. Others put it away for a time of need. Frenchy Balanger, former champion of the world flyweights, gave indication of his type of manhood when he purchased a house recently as a present for his mother. "Frenchy" earned over $18,000 in three bouts during the time he was the flyweight sensation of the world, and he has proved himself to be anything but a wastrel. His last check from the Shamrock A.C. mounting to over $5,000, was not cashed until last week. The same applies to a cheque of $1,500, his purse for his last bout, which was in Detroit gainst Joe Ross of New York.

The way of the amateur boxer is hard ays an Eastern writer. Little is known by the average spectator at boxing bouts of the tedious training grind which these boys go through in order to prepare themselves for contests in he ring. That the sport is increasing n popularity is evidenced by the fact hat sixty-four of the best known boxers in the Province entered the lists for the Ontario Olympic boxing trials.

Reports from Weston are to the effect hat the Ontario Amateur Lacrosse Association senior champions will get together, smooth out any differences that may have arisen, and again enter the eries with another powerful team. The O.A.L.A. cannot afford to have this colorful and clever aggregation drop out of the race says a worthy contemporary. Althoug defeated by New Westminster this season, it is the general opinion that the Westonites were the strongest team in organized lacrosse. That long train journey and trying championship play-off series in the West took much of the effectiveness from the Weston squad. Toronto teams will have to be at their best to hold Weston in check this coming season.

The opening shoot of the season of the North B.C. Regiment Rifle Association was held yesterday afternoon at the McNicholl Creek outdoor range. SPORT CHAT

The golf season has already started at Prince George. The first tournament of the year opened on Saturday between members of clubs headed by the president and the vice-president. Golf has become well established in the interior town and is a very popular sport. There is a good course there which is now in better condition than ever as a result of considerable work that has been done on it.

The baseball season has been started at Hazelton and New Hazelton. Last Sunday afternoon the New Hazelton baseball team met a mixed team from Hazelton on the latter's grounds and defeated them by a score of 10 to 6. It is likely that games will be played there each Sunday from now on. Cyril Spooner is captain of the New Hazelton team which consists of a group of promising young fellows.

Alf Harding has lived up to the advance reports about him. He has shown in his workouts that he is a very strong, rugged boy and wants to mix all the way. He will keep Jimmy McDonald guite busy avoiding his bull rushes on May 3. There is a lot of interest shown in the semi-final between two local boys—Ned Byrne and George Bard. Byrnes' speed and experience will be pitted against Bard's hitting and some who have seen the work outs claim this will carry Bard a long way in the boxing game. All the preliminary boys are getting in good shape and a real good evening's entertainment is looked forward to.
