GREASLESS DUSTING EASIER HOUSE-CLEANING

GREASELESS dusting means to use a few drops of the NEW Liquid Veneer on your cloth instead of greasy, sticky, oily polish. The NEW Liquid Veneer leaves no smeary film—does not have to be rubbed laboriously—does not catch dust. Use it when you houseclean and you'll easily and quickly put your furniture and woodwork in the best possible condition. The NEW Liquid Veneer cleans and polishes at one operation. Takes up dust, dirt, discoloration immediately. Restores the original beauty, color, lustre. Does not leave a film. The Electrical Testing Laboratories, New York, made the amazing test below. Your grocer, druggist, hardware dealer or department store should have the NEW Liquid Veneer. Liquid Veneer Corporation, Buffalo.
