WHEN you hire us to do the family washing, you are not put to the expense or bother of feeding us. We eat nothing! Neither do we ask you to pay our carfare. Instead we call for and deliver your washing. We buy our own soap, starch and bluing. Heat our own softened water. Use our own electricity, too. There's no "pickingup" after us. We take all the messy work out of your home, giving you an extra day to do the things you like to do! Yet you'll find our charges most reasonable - considerably less than it would cost you to do the same work at home. Try us, and see!
