Two brothers who had not met for eighteen years exchanged greetings here yesterday when Peter Loe of Juneau, Alaska, came in on a fishing boat. His brother, Gus Loe of 151 Ninth Ave. East arrived here on February 1 from Tufte, Minnesota, near Port Arthur, with his family. Their last meeting was in Norway. Another brother who did not know Gus was in town came here from Alaska but did not meet him.

The Leading Infant Food SINCE 1857

To be the right food for babies a milk must have certain unchanging qualities—absolute purity, unvarying strength, easy digestibility. Eagle Brand is noted for its safety, reliability and the ease with which it is digested—even in difficult feeding cases. If you unfortunately cannot nurse your baby, we suggest that you and your physician consider Eagle Brand. May we send you helpful booklets on Infant Feeding and general care of baby?

Save the Child's Sight!

Defective vision and hearing in your child should be looked after now, while the child is developing.

Do you intend to train your child to wear eyeglasses for the rest of his life? Or are you going to do your part by that child and take steps to have his vision restored to normal while there is yet time?

By my natural methods, I cure more than 75 per cent of children suffering from defective vision and hearing.
