LUMBER MILL TO BE CLOSED

Big Bay Company to Dismantle Plant Just Purchased at Seal Cove

"Except possibly to cut some lumber to be used in the construction of our new mill, we have no intention of further operating the plant of the Seal Cove Lumber Co." stated George McAfee, manager of the Big Bay Lumber Co., which has purchased the mill of the Seal Cove Lumber Co., this morning. The Seal Cove Co. plant will be dismantled and the site will probably be used for a loading or retail yard, handy as it is both to the city street and the railway tracts. The machinery will either be used in the new mill or sold. While the site of the Seal Cove Lumber Co. is a good one, Mr. McAfee explained that the primary object of his company in making the purchase was to eliminate a fire hazard caused thereby and thus reduce considerably the insurance premium on the new plant.

Mr. McAfee stated that he expected the Big Bay Lumber Co. would be operating its new mill at Seal Cove in March. Recent cold weather has been considerably hampering construction and preliminary work but, with the advent of the present mild spell, operations are once more being rushed to completion. Within the next month Mr. McAfee stated, the sawmill at Georgetown, which the company has operated for several years, will be closed down and the staff brought in to Prince Rupert. It will probably take about six months to clear up the lumber and equipment at the old mill and during that time a small crew of men will be kept there to carry on the work.

NEW YEAR CELEBRATED AT METLAKATLA BY PEOPLE OF VILLAGE

METLAKATLA, Jan. 5. — The usual noise attending the advent of the New Year was heard throughout Saturday night, the bursting of bombs, the flight of sky-rockets, the flare of Roman Candles, the miniature explosion of fire-crackers and clanging of bells, every available source of noise-maker was brought into play.

On Monday, the Metlakatla Silver Band paraded the streets, with the "Gypsies" which turned out in fancy dress costumes.

In the evening the whole village population was invited to the annual New Year's party given by the Village Council in the Village Hall, and which is always the biggest and most elaborate event of the season in the way of entertainment, a real happy time was enjoyed by all.

Music by J. A. Prevost and his string band.

Coming events are a choir concert by the Anglican Church on Thursday and a party and concert by the Church Army on Friday.

WAS VERY WEAK NERVOUS AND MELANCHOLY

Mrs. Geo. McKenzie, Campbellford, Ont., writes:—"A short time ago I was troubled very badly with my heart and nerves, the cause of it, I think, was my going through the change of life.

"I was very weak and melancholy, and so nervous I could hardly bear to hear a clock ticking, and I did not sleep well.

"I was advised to try MILBURN'S HEART AND NERVE PILLS so I sent at once for a box; took them and got another, and before they were all gone I felt good, my nerves are fine, I do not mind any noise, and I can sleep well. I cannot recommend them too highly to those suffering as I did."

Price 50c. a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
