Barns Carried Away Children Killed When Cyclone Hit Quebec

People are Lifted up and Dashed Against Trees or Other Obstructions in Berthier County

MONTREAL, Aug. 20.—Three children of Mr. and Mrs. Henri Gouin of St. Joseph were killed while their games over second place Chicago as they parents and Mr. and Mrs. Dufresne suffered fractured legs and arms when a cyclone swept the northern part of Berthier county yesterday.

The children were killed when the barn in which they were playing was carried several hundred yards from its loss, dropping them a fraction behind former location. The others were injured when carried through the air, striking against trees or other obstructions.

General destruction was caused by the terrible st. Louis at Chicago, rain. storm. Barns were carried away, farm dwe'lings were badly damaged, trees uprooted, fences torn down, and telegraph and telephone poles felled.

Better Lumber Prices Cause All Mills In Prince George District Enjoy More Prosperous Season

With lumber prices up something better than \$2 per thousand and a strong market, the companies engaged in sawmilling in the Prince George district are enjoying one of the most prosperous seasons in their experience. The record-breaking crops on the prairies are held attributable for the generally improved lumber situation there. This year the prairie demand will absorb much Prince meets in December, United States Sena- George district lumber which formerly went to middle and eastern
