CANADA AND THE ORIENT

REV. A. J. BRACE ADDRESSES VICTORIA GYRO CLUB ON RELATIONS WITH THOSE COUNTRIES

VICTORIA, April 11.—"Unless we have a gentlemen's agreement with China and Japan, and discuss our problems in a friendly way, we may simply be courting disaster for future days," stated Rev. A. C. Brace, F.R.G.S., secretary of the Canadian Volunteer Student Movement, in addressing the Victoria Gyro Club in the Chamber of Commerce auditorium at the weekly luncheon meeting.

Mr. Brace referred to the chaotic conditions which had existed in China, and observed that a republic could not be made "over night." Only since 1911 had the experiment of a republic been in operation in China and he pleaded that China be given time to right herself.

"The revolution in China has been fourfold—political, social, literary, and industrial—and in view of that fact, it is a wonder to me that the revolution has not been even greater than has been the case, and that more blood has not been shed," the speaker continued.

SOCIALISTICALLY INCLINED

In studying the history of China, it will be seen that the Chinese are socialistically inclined, Mr. Brace declared. The Chinese were tolerant, but they began to be intolerant "when someone tried to put something over on them. They want to be masters in their own house. They have been tolerant people, but when any nation endeavors to ride roughshod over them, their opposition rises in a warlike way."

Mr. Brace referred to the work of the League of Nations and the Institute of Pacific Relations, and lauded the way the representatives of the Oriental and Occidental nations met together around the common teble, and face to face discussed their problems.

"If we face our problems in a businesslike, sensible manner, and study the friction points, particularly on the Pacific Coast, where the problems are bristling, there is hope of satisfactorily settling the differences between Canada and China and Japan in a peaceful way, instead of having to resort to the old heartless way of war in reaching a solution of our difficulties," Mr. Brace declared, amid applause.

FAIR BOARD IS STILL IN AIR

ANOTHER MEETING TO BE CALLED TOMORROW NIGHT TO FILL VACANCIES ON BOARD

Three of the new directors who were elected last week having submitted their resignations, another general meeting of the Northern British Columbia Agricultural & Industrial Association is to be called by Mayor McMordie for tomorrow night for the purpose of filling the board and possibly deciding if a Fair is to be held this year in the city. There are a considerable number of citizens who have expressed themselves as favoring cancelling the Exhibition for one year at least. Differences on this question are understood to have caused the resignation of the three directors.

The new board had a meeting last night when it was decided to call tomorrow night's general meeting. Mayor S. P. McMordie was present at the meeting and urged that more enthusiasm be shown in the matter of the Fair, assuring the Board that it would have all his support. The meeting was presided over by Ald. A. J. Prudhomme and Ald. G. P. Tinker acted as secretary. Directors present were George B. Casey, J. J. Gillis, Joe Brown, Ben Self, Howard Steen and N. Mussallem.

RUPERT LOSES OPENING GAME

Considerably at a disadvantage on account of the strange hall, Prince Rupert High School boys' basketball players lost to Ocean Falls in the first game of a series at the paper town on Monday night by a score of 27 to 9. The locals were holding up well during the first period which ended in a score of 12 to 7 against them but they went to pieces in the second period. The second game of the series will be played tonight and it is expected that it will be a much closer match. A third game will be played with an Intermediate team known as the Whiz-Bangs on Thursday evening.

A full program of entertainment has been provided for the local boys during their visit to Ocean Falls and, according to word reaching the city this morning, they will not have an idle moment during their week's stay here. They will be taken through the big pulp and paper mill, for a cruise on the lake and there will be numerous dances and parties.

The team will return home on Saturday morning's boat.

TELKWA DOCTOR GOING TO ANYOX

Dr. George C. Paine, who has been practising for several years at Telkwa and in the surrounding district, arrived in the city on yesterday afternoon's train from the interior and will proceed this afternoon to Anyox where he will take a post as Granby Co. physician, succeeding Dr. H. S. Trefrey who has moved to Prince George to take up practice.

BRISK TRADING MINING STOCKS

VANCOUVER, April 11.—L. & L. was the feature of yesterday's mining market. With 105,000 shares traded in, due to unconfirmed reports of a rich strike, the stock advanced rapidly to 22 in the morning, a gain of 8½ cents but fell away to 14 for the close, a net gain of 1½ cents.

Trading after the Easter layoff was brisk with prices upward in the morning, easing off in the afternoon.

LARRY HALCROW OF LOCAL DRY DOCK TO MOVE TO VANCOUVER

Having taken a position with the Hoffar-Beeacham boatbuilding yard in Vancouver, Larry Halcrow, for several years foreman boatbuilder in the local dry dock, will sail for the south on the Prince Rupert Sunday night, accompanied by Mrs. Halcrow. Mr. Halcrow has been an efficient and popular member of the local shipyard staff and has been directly in charge of a number of important jobs. Many friends will regret the departure of himself and his wife.
