

## SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead,  
And Is Now in Perfect Health.

MME. F. GAREAU

153 Papineau Ave., Montreal.  
"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This, I refused to permit. I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it. The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks."

MME. F. GAREAU.  
50c. a box, 6 for \$2.50, trial size 25c.

### MABEL NORMAND AS "THE PEST" IS GREAT

Famous Star in Her very Latest  
Production at the Westholme  
Theatre Tonight.

Mabel Normand made a success of "Mickey." Since that she has had other successes and one of the greatest of these is "The Pest" which is showing tonight at the Westholme Theatre. Those who saw it last night were very much enthused and are recommending everyone to go.

Miss Normand has recently come to the front as the foremost star of the movie world. In "The Pest" she is well up to the standard. Her quick changes and remarkable expressions as well as her beauty all add to the attraction of the play. Humor and pathos chase each other quickly and the result is most happy.

### "MICKEY" PROVES A GREAT ATTRACTION

Last Chance to See Famous Picture  
Will be Tonight at the  
Empress Theatre.

Mickey is as powerful to draw a crowd here as ever and if the film should some day return the house will again be filled. It is one of the very best pictures that has ever come to Prince Rupert and if there are any who have not seen it they should take the last opportunity tonight.

To tell the plot of the play would mean nothing. To describe the scene would not attract. To see is the only way. Seeing is believing and in this case seeing is enjoying.

Harry Fletcher's singing of "Mickey" with the audience joining in the chorus adds to the general effect and keeps the audience pleased with themselves.
