Huge Sum is Paid by Chicago Baseball Team for Transfer of Rogers Hornsby from Boston

CHICAGO, Nov. 8.—Rogers Hornsby has been sold by Boston to the Chicago Nationals for five players and a sum of money believed to be the largest ever involved in a baseball transfer. It is estimated to be between \$150,000 and \$200,000.

Only two of Chicago's regular players were traded, Freddie Maguire to make room for Hornsby at second base and Percy Jones, veteran southpaw. The others were rookies.
